

DIGITAL & TRENDS

Bioenergy in Europe

Table of Contents

01 Overview

Global capacity of bioenergy power 2009-2022	
Global bioenergy production 2009-2021	
Global bioenergy capacity 2022, by country	
Global biomass and waste energy investments 2004-2019	

02 Bioenergy

Bioenergy capacity in Europe 2010-2022	
Renewable energy mix in the European Union 2013-2021	
Renewable energy generation source shares in the European Union 2013-2021	
Bioenergy use for heating in the EU 2015-2020	
Share of bioenergy use for heating in the EU 2015-2020	

03 Biomass

Solid biomass primary energy production in the European Union 2000-2021	
Solid biomass primary energy production in the European Union 2021, by country	
Inland consumption of solid biomass energy in the European Union 2000-2021	
Inland consumption of solid biomass energy in the European Union 2021, by country	
Solid biomass consumption per inhabitant in the European Union 2021, by country	

04 Biogas

	Energy production from biogas in the European Union (EU) 2013-2021	<u>20</u>
<u>03</u>	Gross heat production from biogas in the European Union (EU) 2013-2020	<u>21</u>
<u>04</u>	Energy production from landfill gas in the European Union (EU) 2013-2020	<u>22</u>
<u>05</u>	Energy production from anaerobic fermentation biogas in the European Union 2013-2021	<u>23</u>
<u>06</u>	Energy production from sewage sludge gas in the European Union 2013-2021	<u>24</u>

05 Biofuel

<u>08</u>	Biofuel production in the EU 2000-2022	<u>26</u>
<u>09</u>	Biofuel production in Europe 2022, by country	<u>27</u>
<u>10</u>	Share of biofuel consumption in the EU-27 for transportation 2021, by fuel type	<u>28</u>
<u>11</u>	Biofuels consumption for transportation in the European Union 2015-2021	<u>29</u>

06 Economic data

	Turnover of the biomass industry in the European Union 2013-2021	<u>31</u>
<u>14</u>	Turnover of the biogas industry in the European Union 2013-2021	<u>32</u>
<u>15</u>	Turnover of the biofuels industry in the European Union 2013-2021	<u>33</u>
<u>16</u>	Employment in the solid biofuels industry in the European Union 2013-2021	<u>34</u>
<u>17</u>	Employment in the biogas industry in the European Union 2013-2021	<u>35</u>
<u>18</u>	Employment in the biofuels industry in the European Union 2013-2021	<u>36</u>

CHAPTER 01

Overview

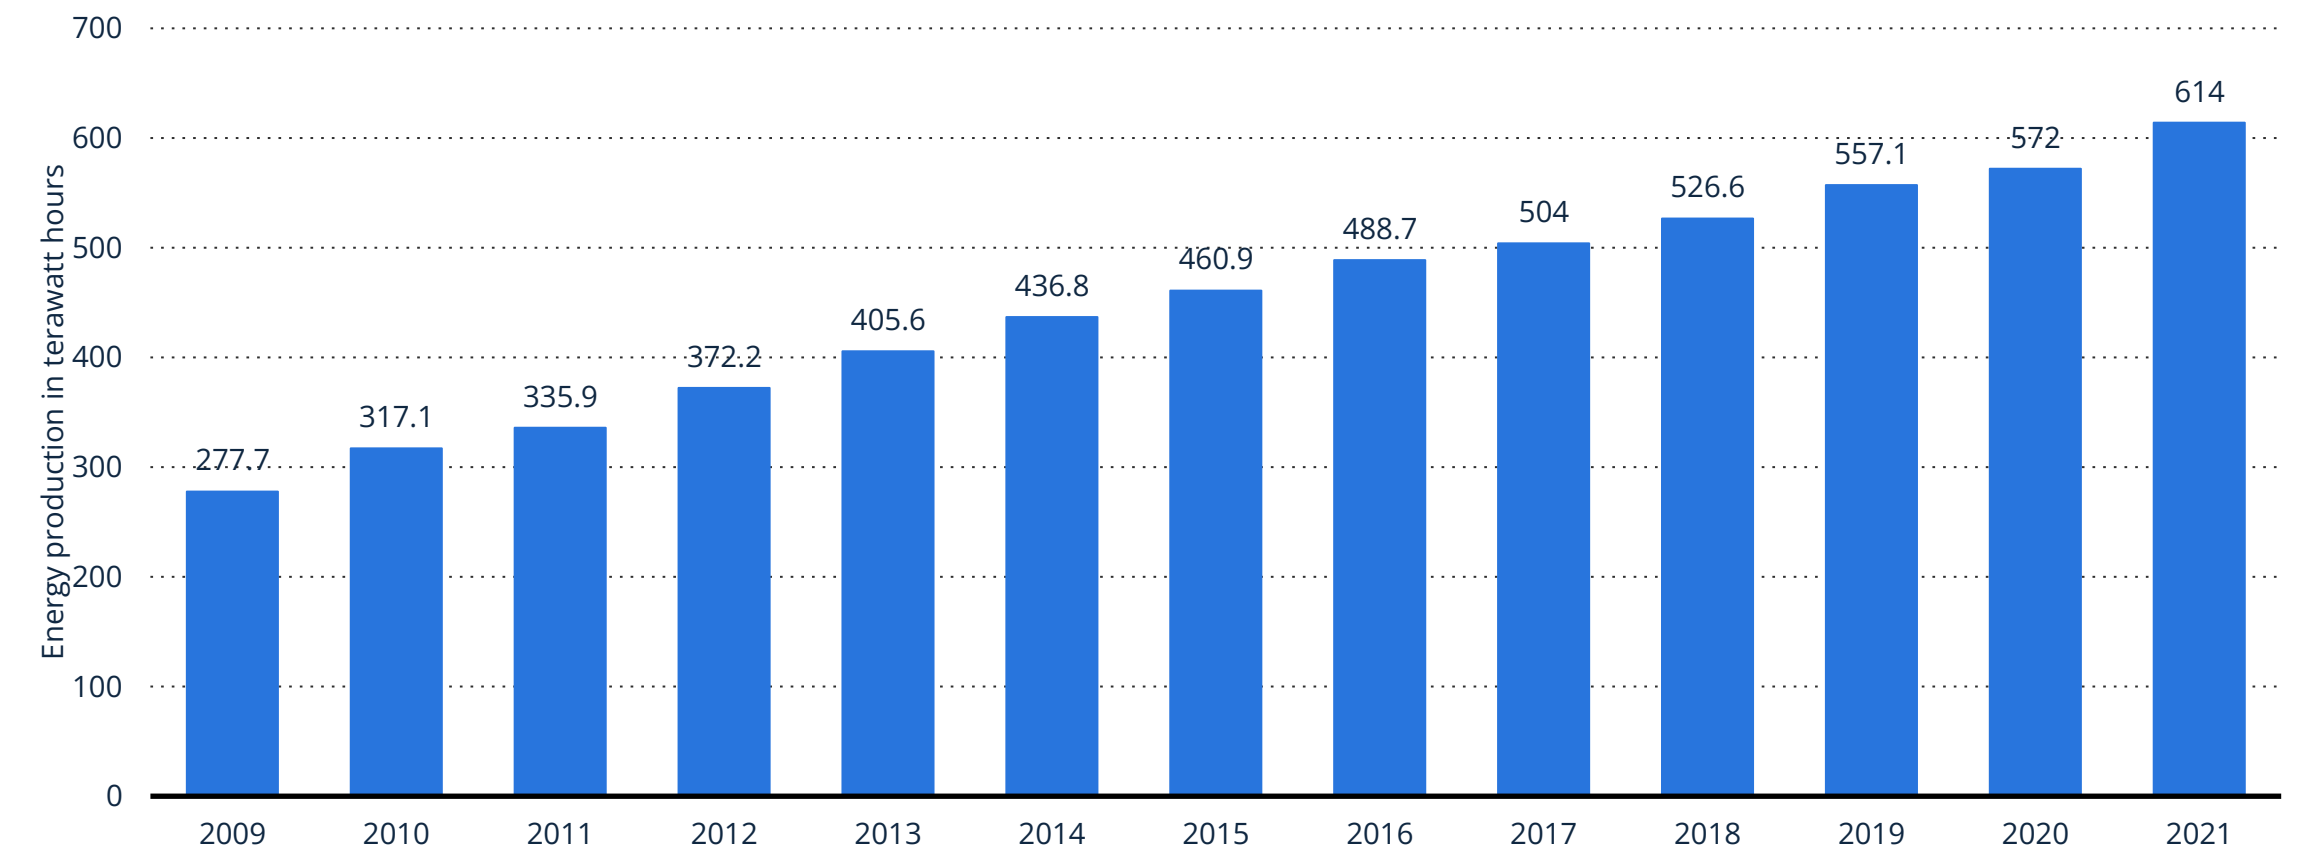

Bioenergy capacity worldwide from 2009 to 2022 (in megawatts)

Global capacity of bioenergy power 2009-2022

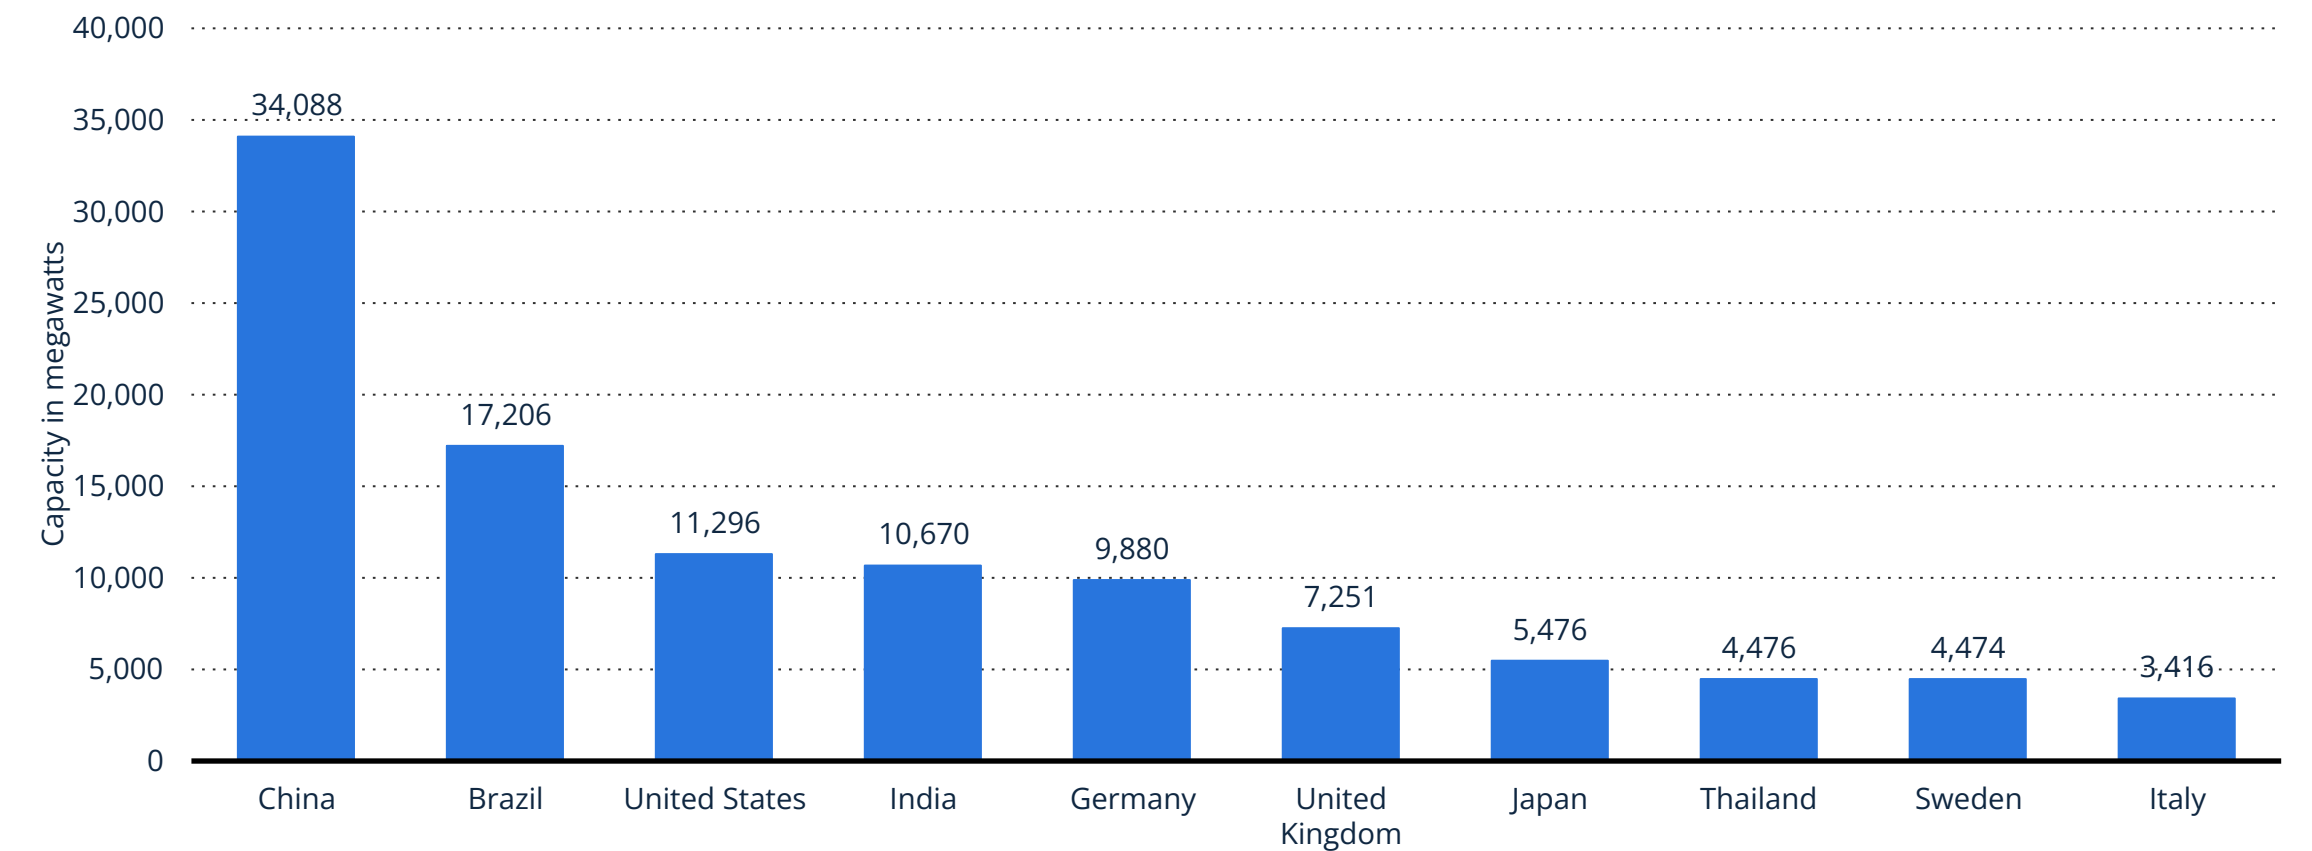

Production of bioenergy worldwide from 2009 to 2021 (in terawatt hours)

Global bioenergy production 2009-2021

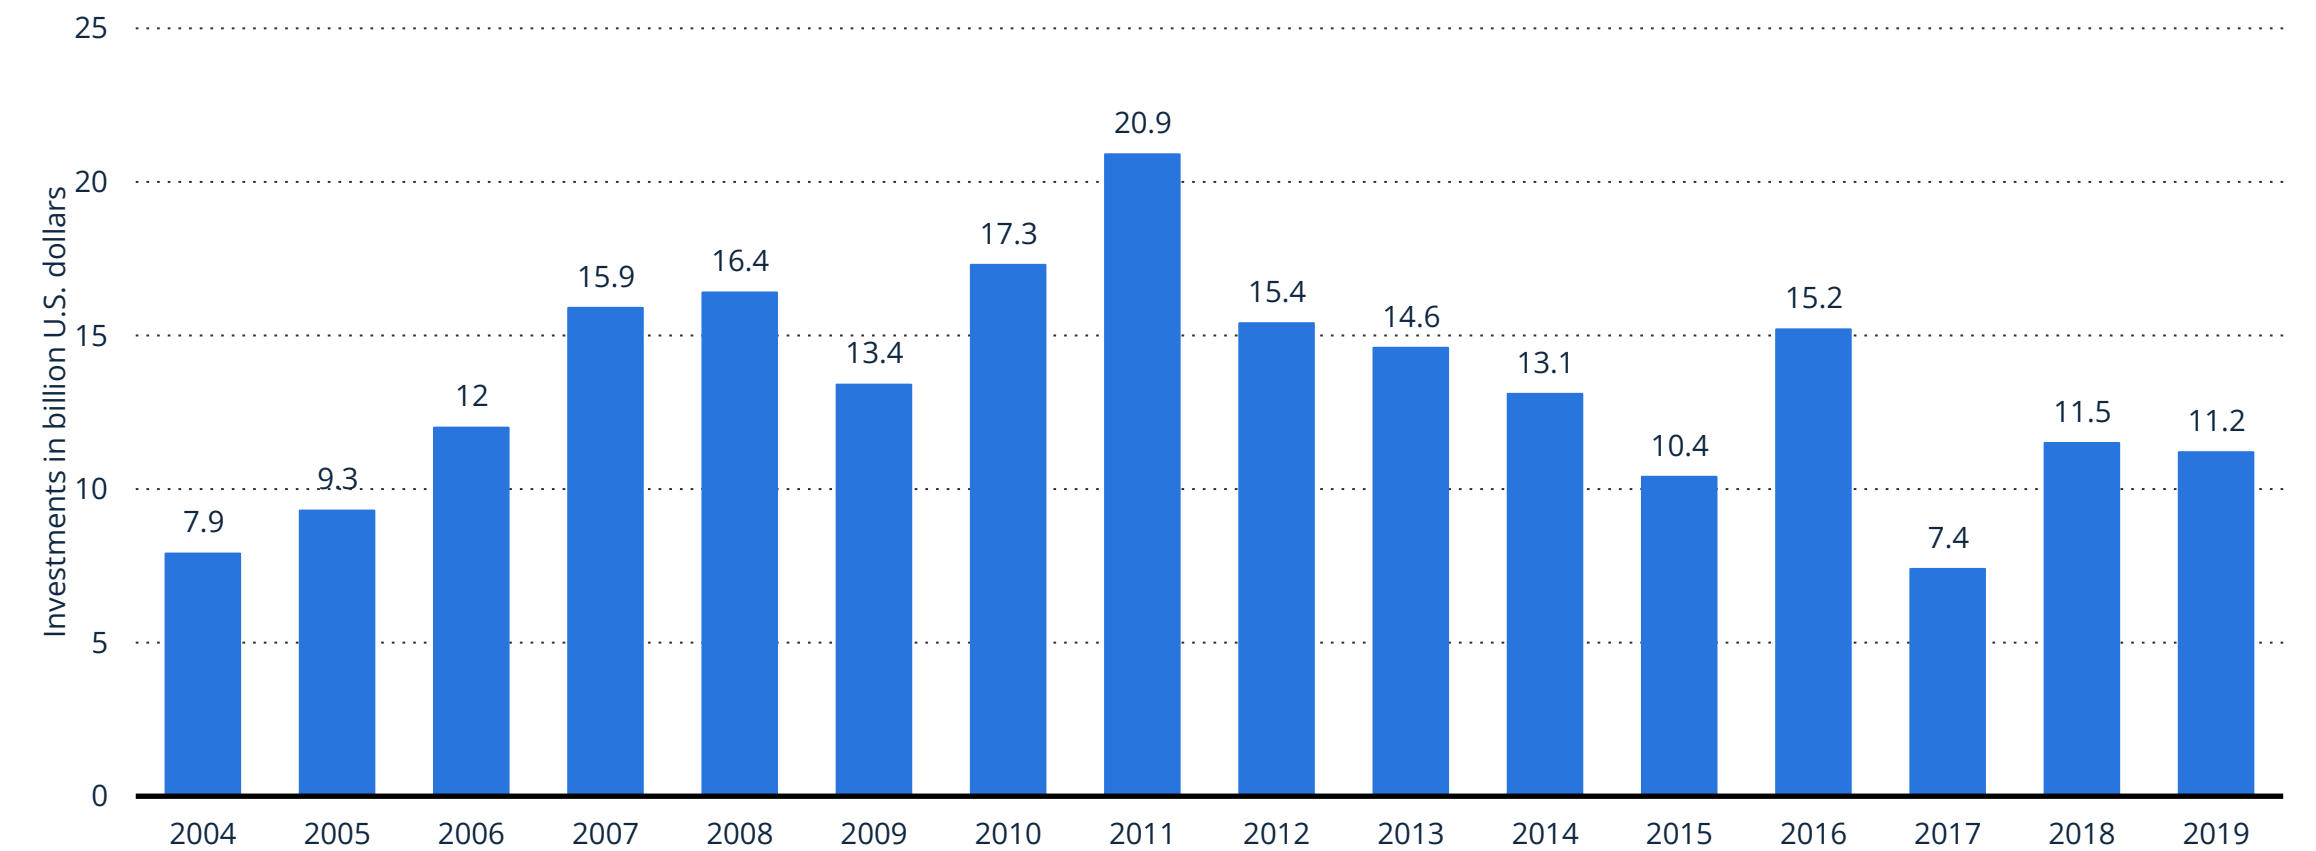

Leading countries in bioenergy capacity worldwide in 2022

Global bioenergy capacity 2022, by country

Investments in biomass and waste energy technologies worldwide from 2004 to 2019 (in billion U.S. dollars)

Global biomass and waste energy investments 2004-2019

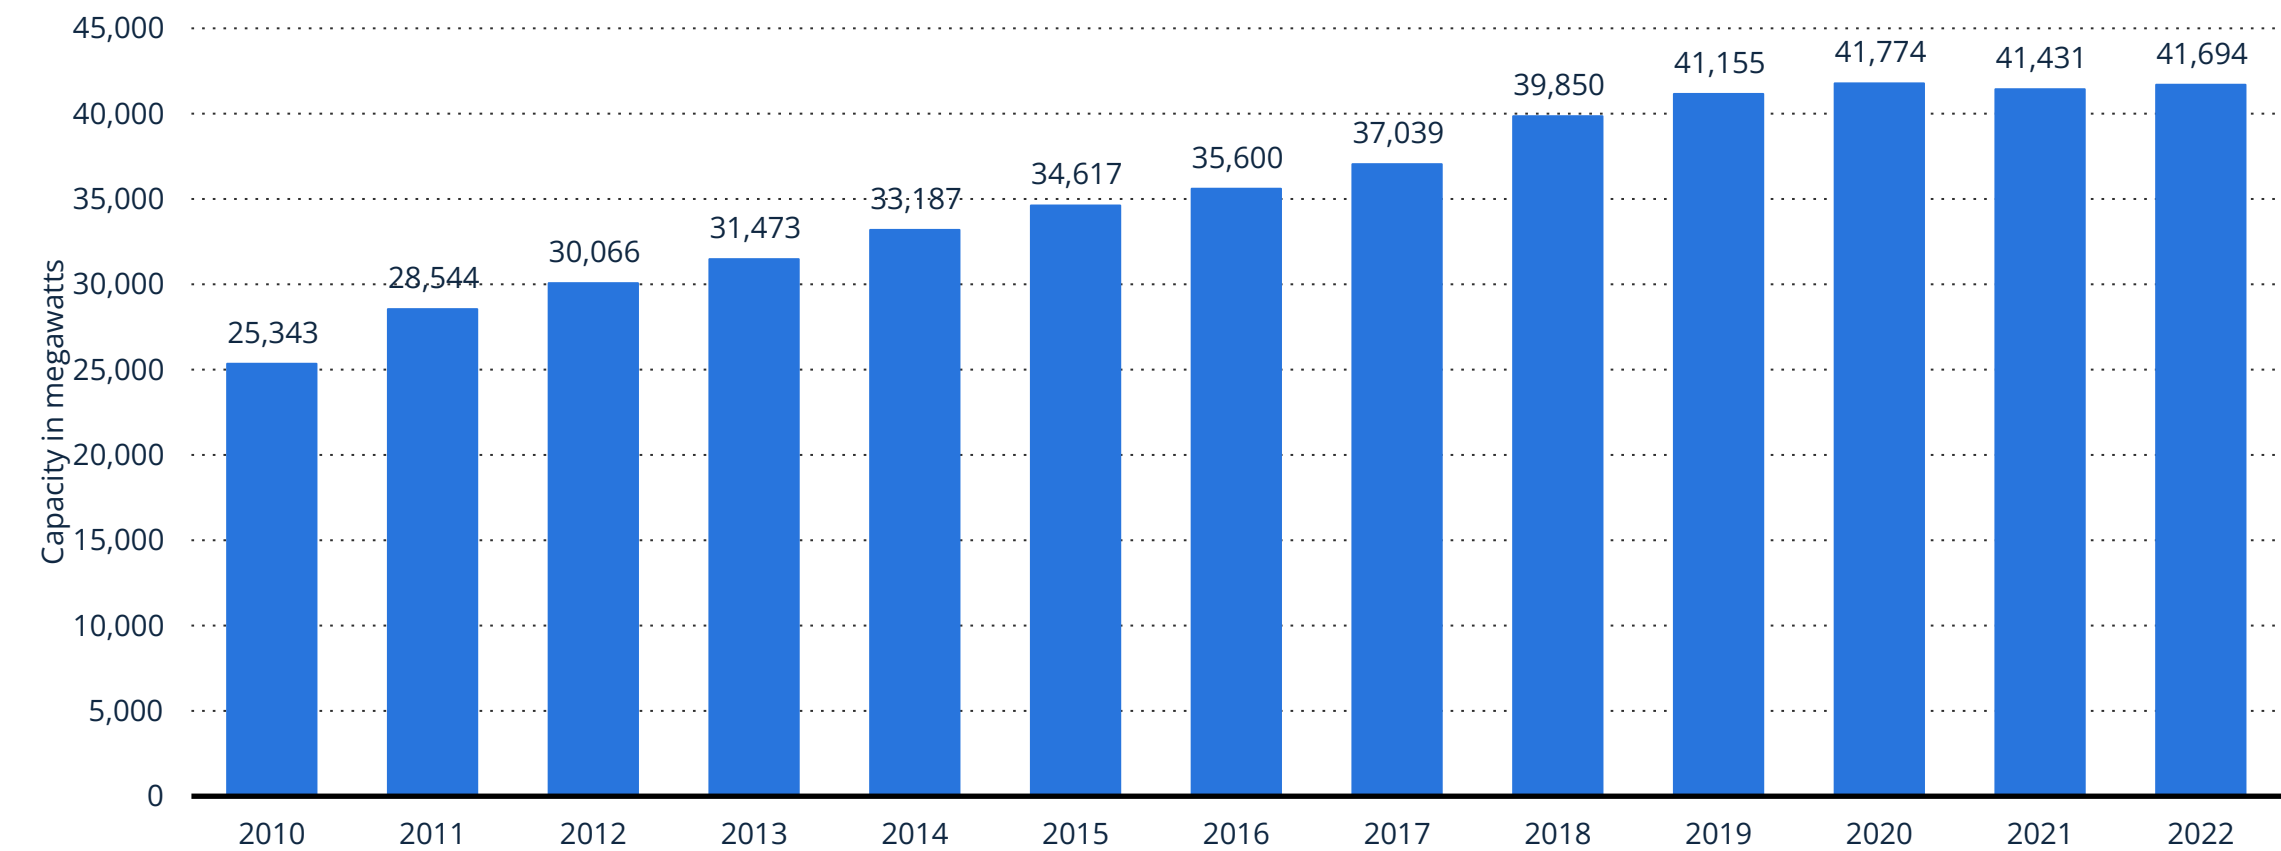

CHAPTER 02

Bioenergy

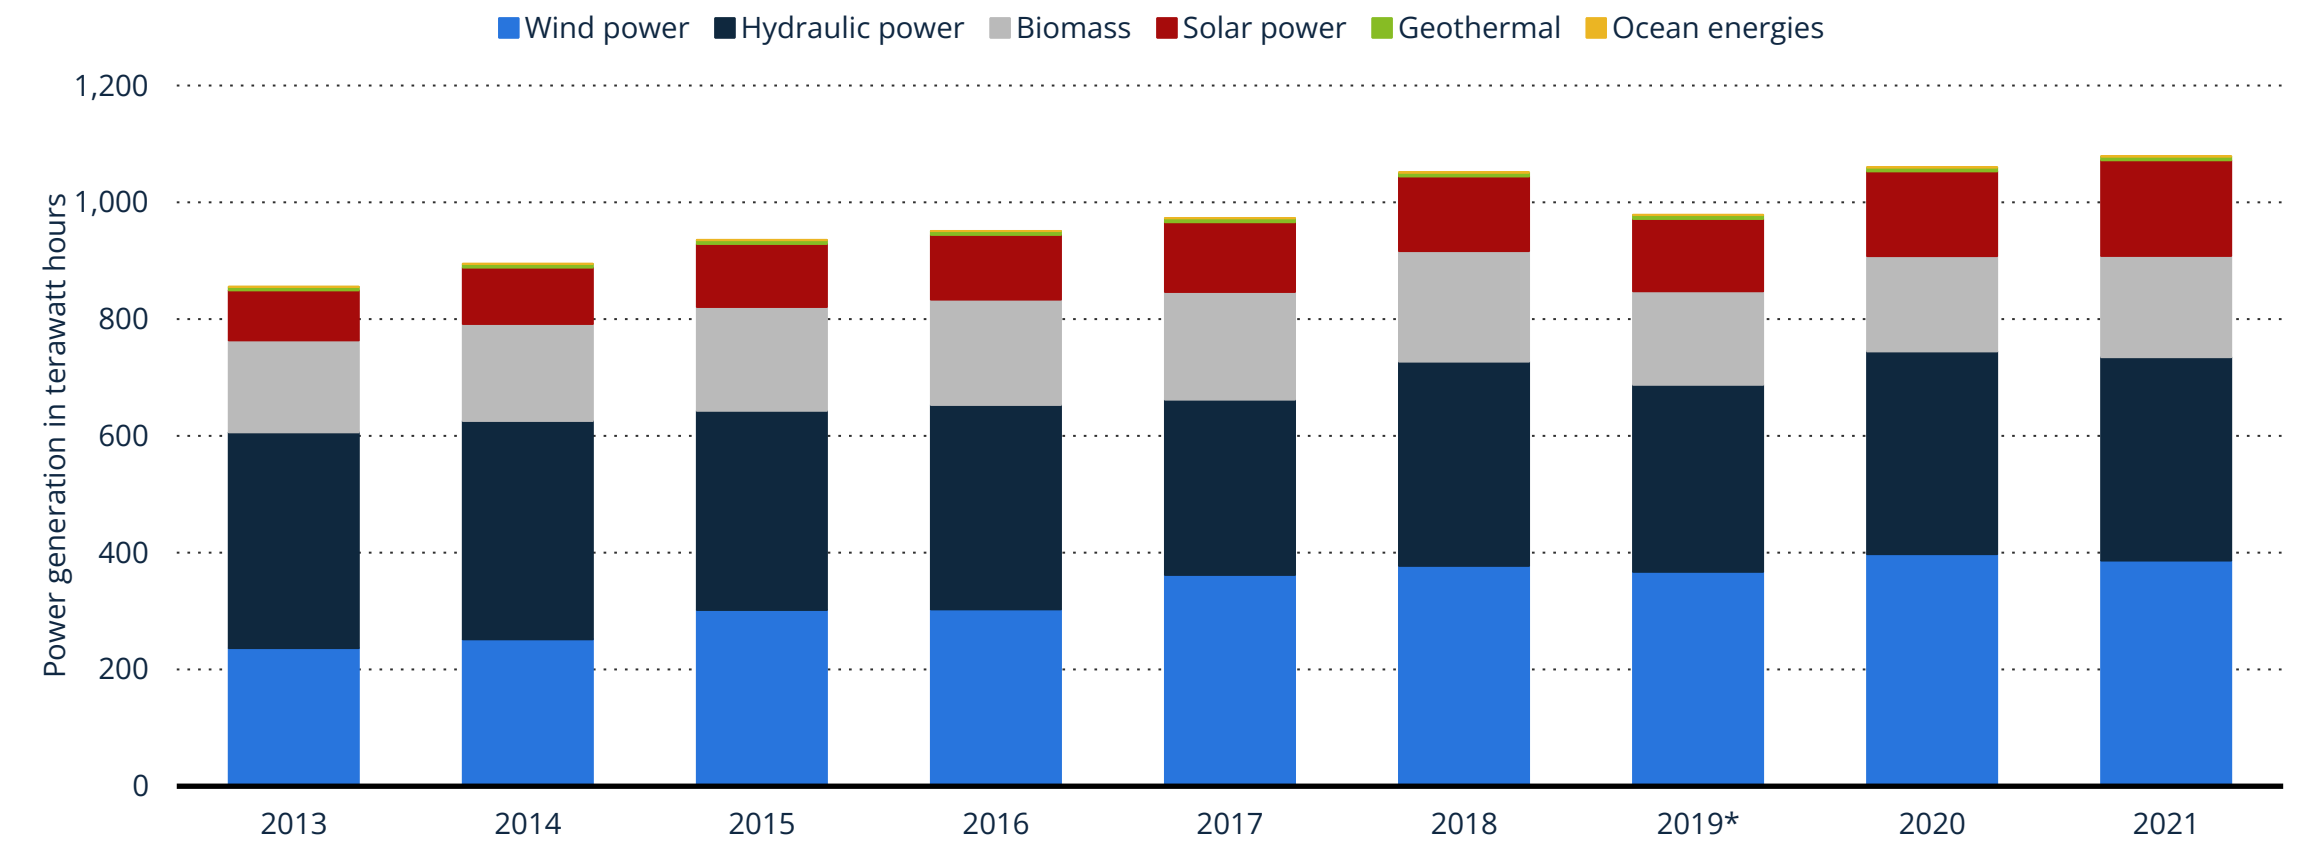

Bioenergy capacity in Europe from 2010 to 2022 (in megawatts)

Bioenergy capacity in Europe 2010-2022

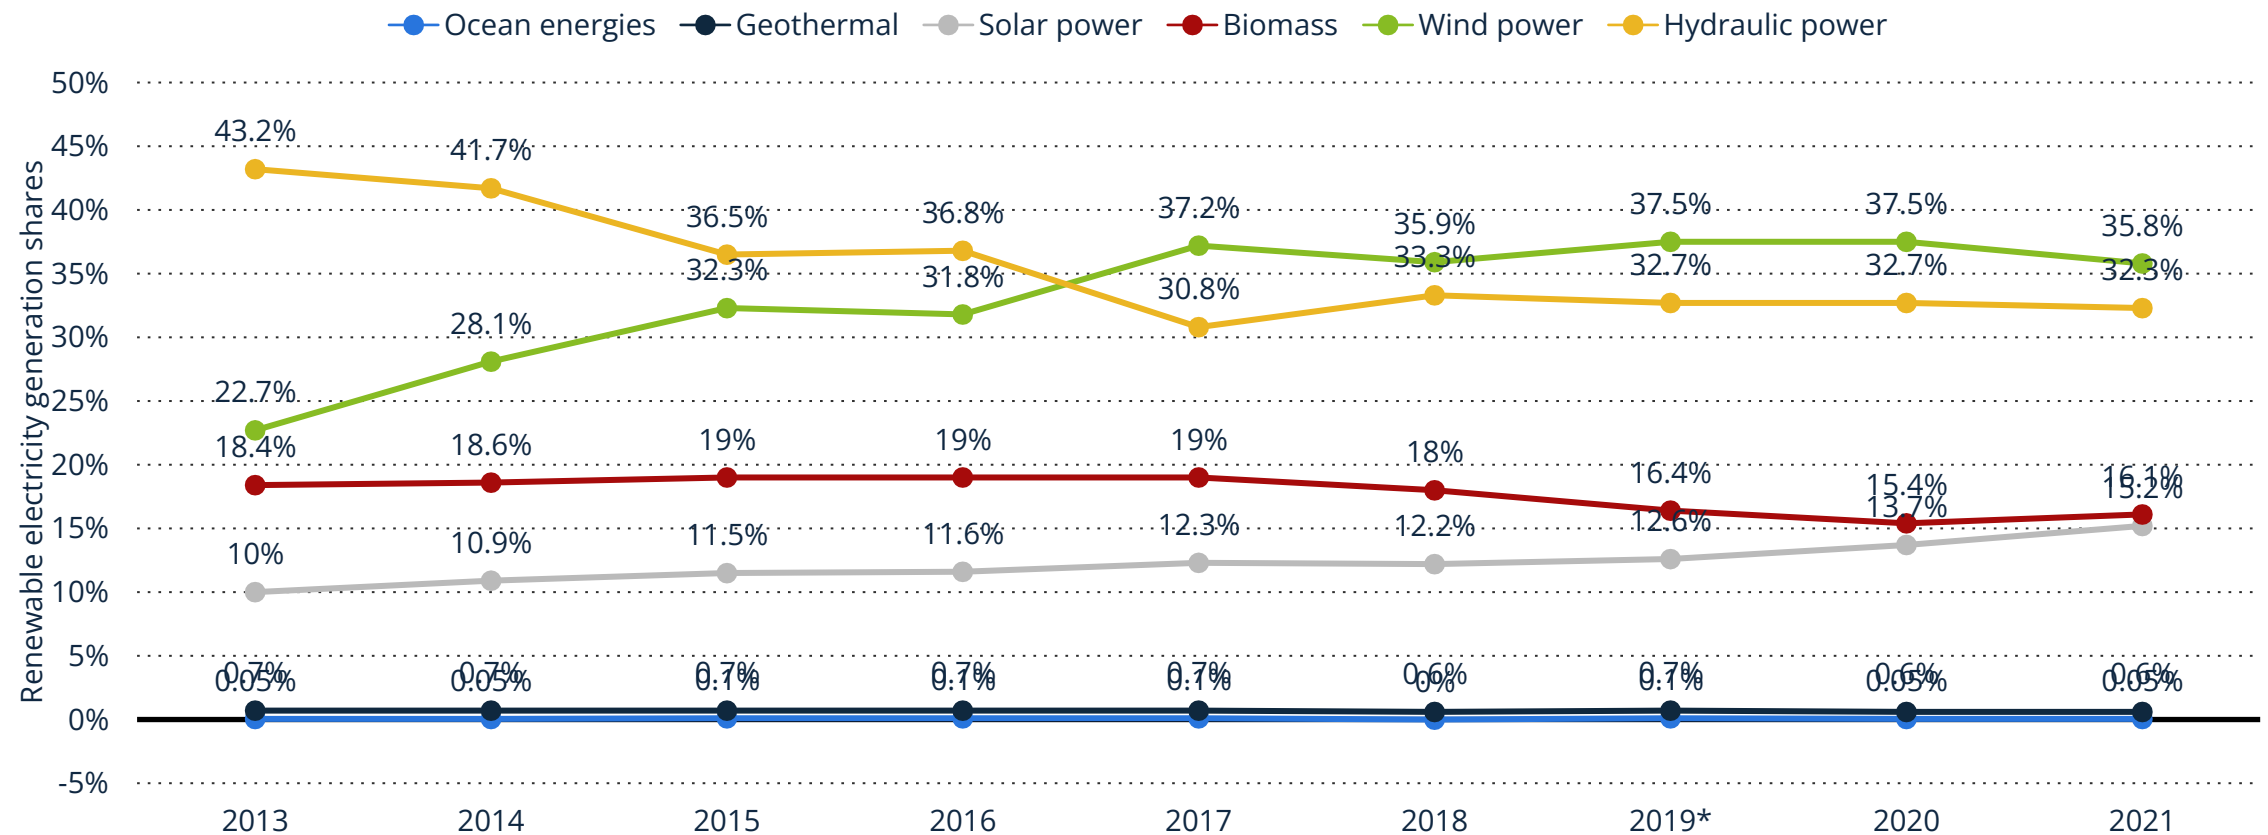

Renewable electricity mix in the European Union from 2013 to 2021, by energy source (in terawatt hours)

Renewable energy mix in the European Union 2013-2021

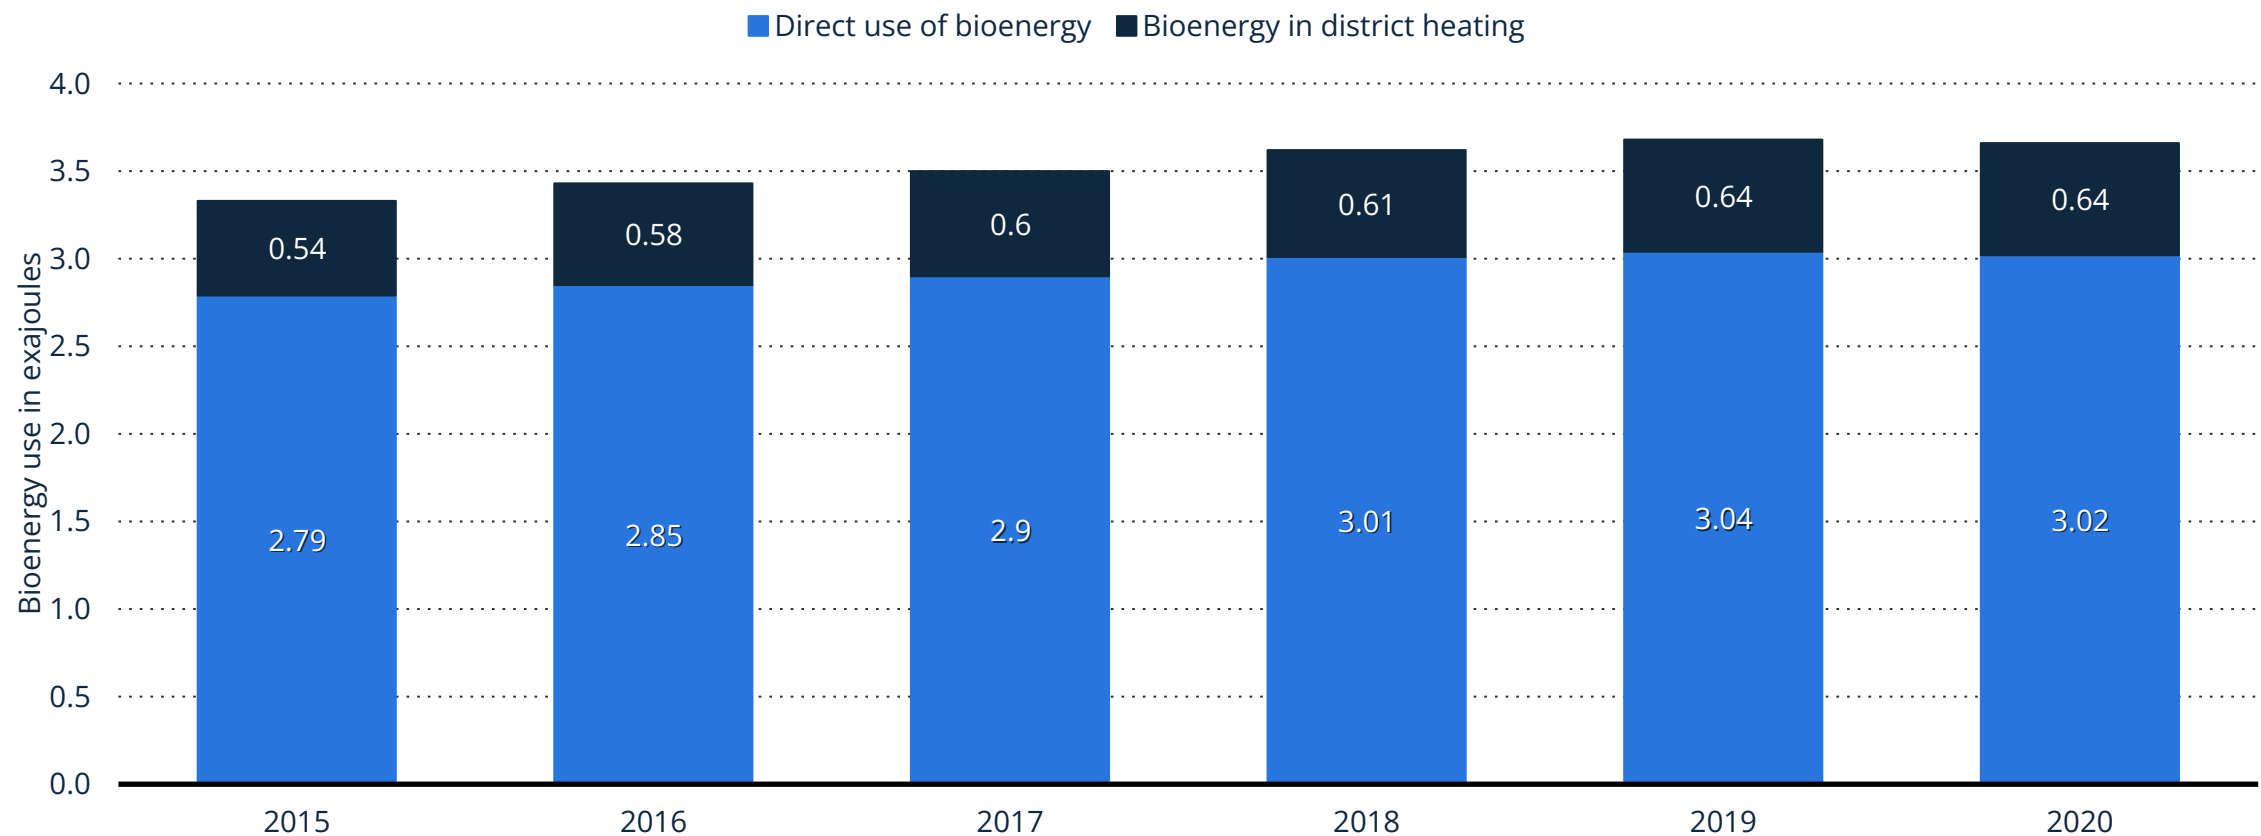

Share of renewable electricity generation sources in the European Union from 2013 to 2021*

Renewable energy generation source shares in the European Union 2013-2021

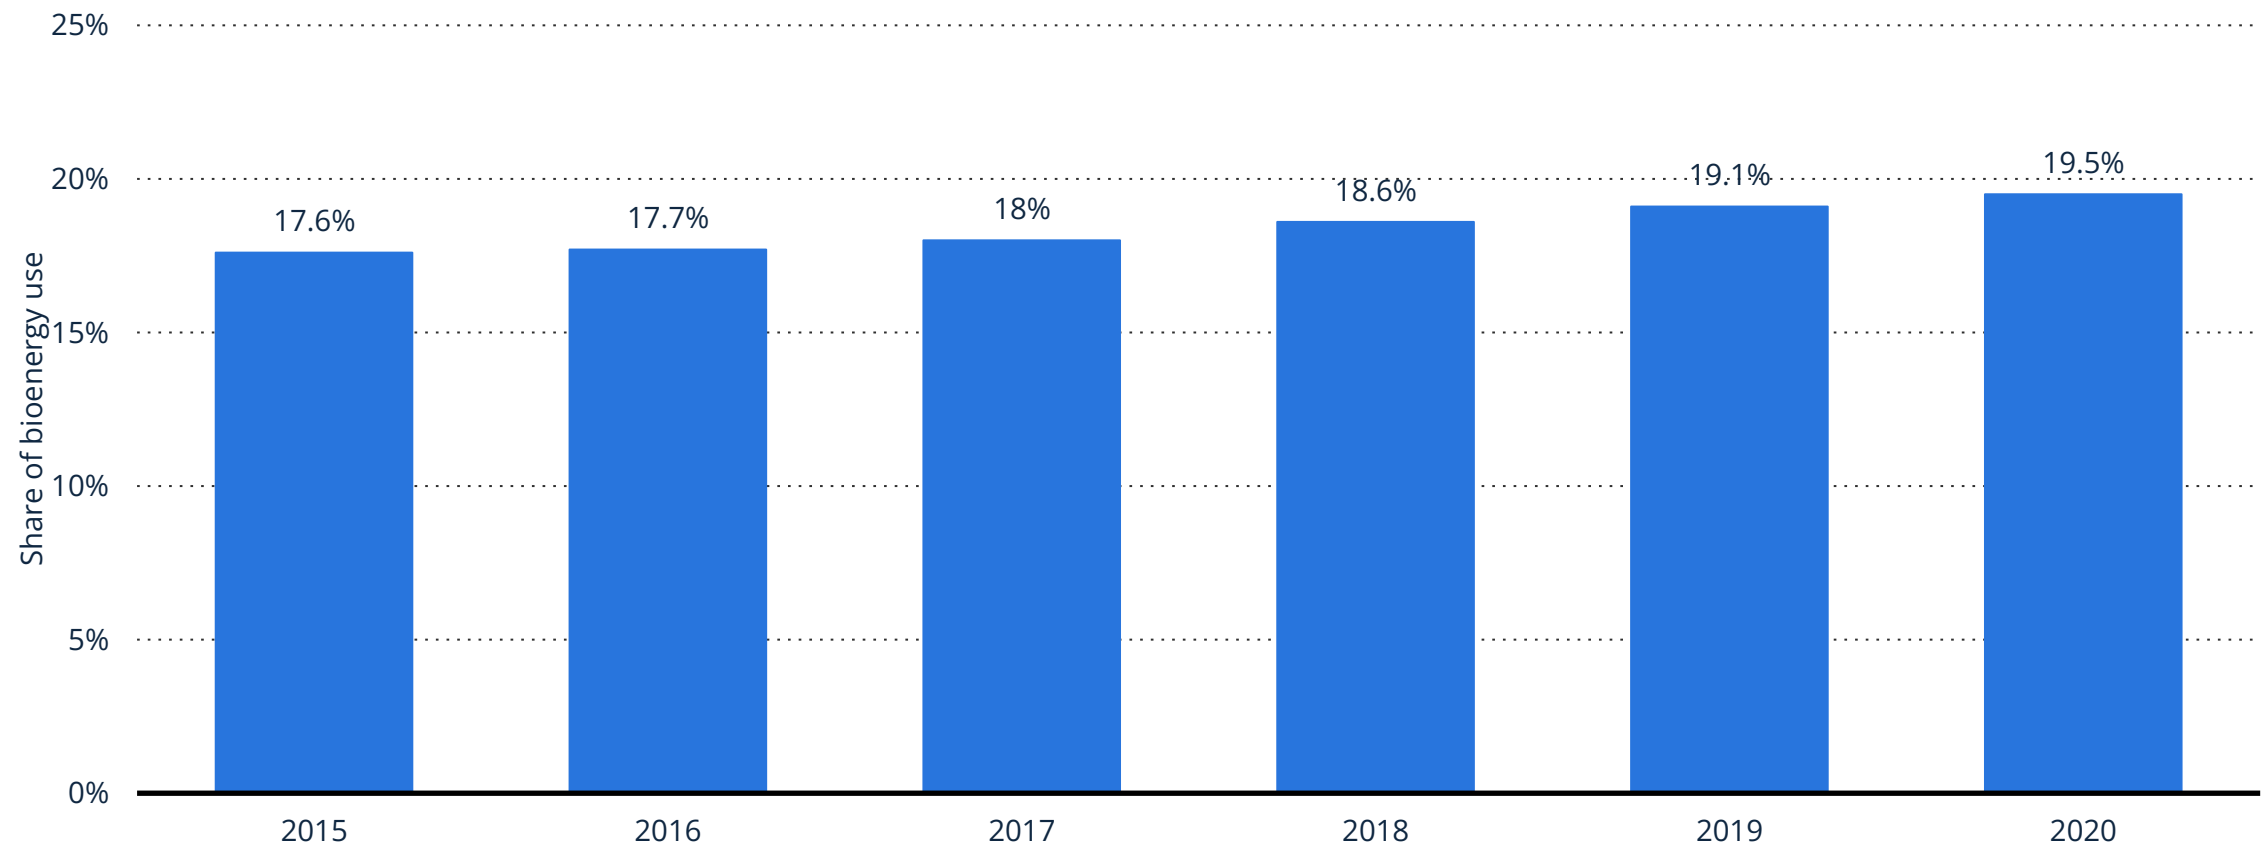

Bioenergy in total heat supply in the European Union from 2015 to 2020 (in exajoules)

Bioenergy use for heating in the EU 2015-2020

Share of bioenergy in total heat supply in the European Union from 2015 to 2020

Share of bioenergy use for heating in the EU 2015-2020

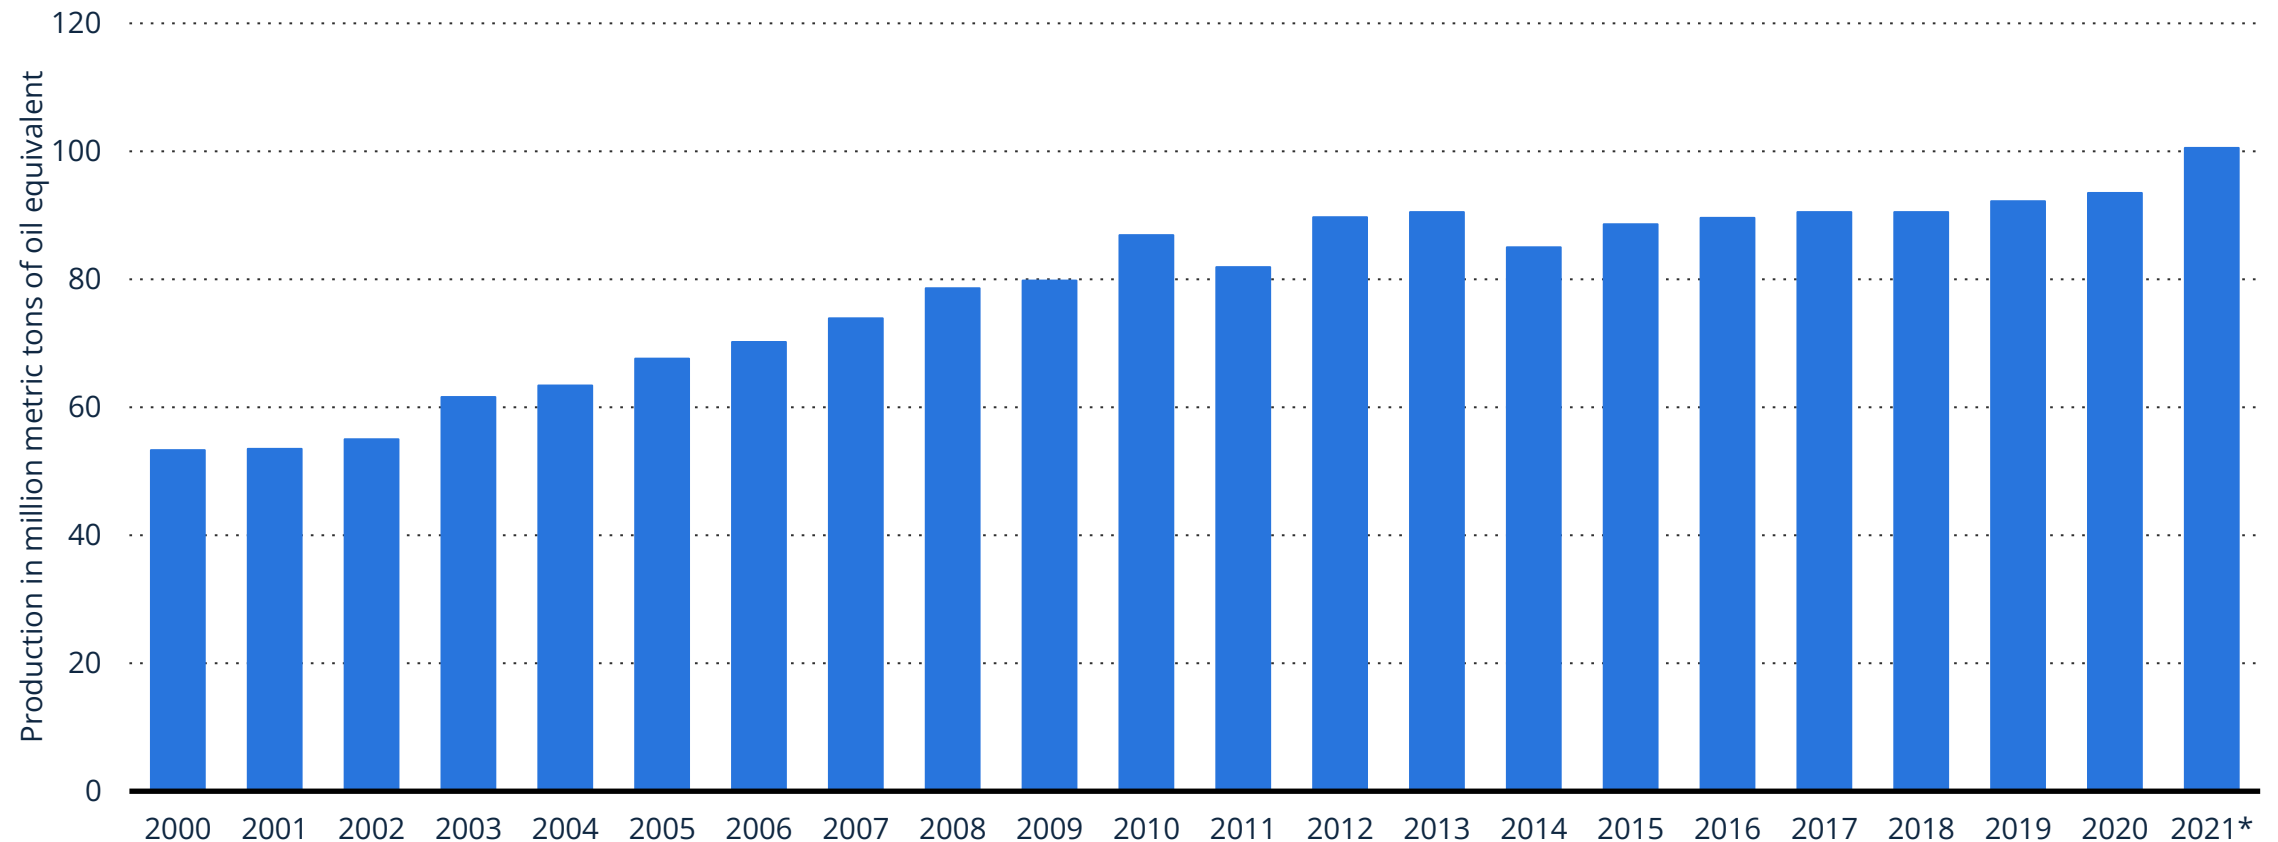

CHAPTER 03

Biomass

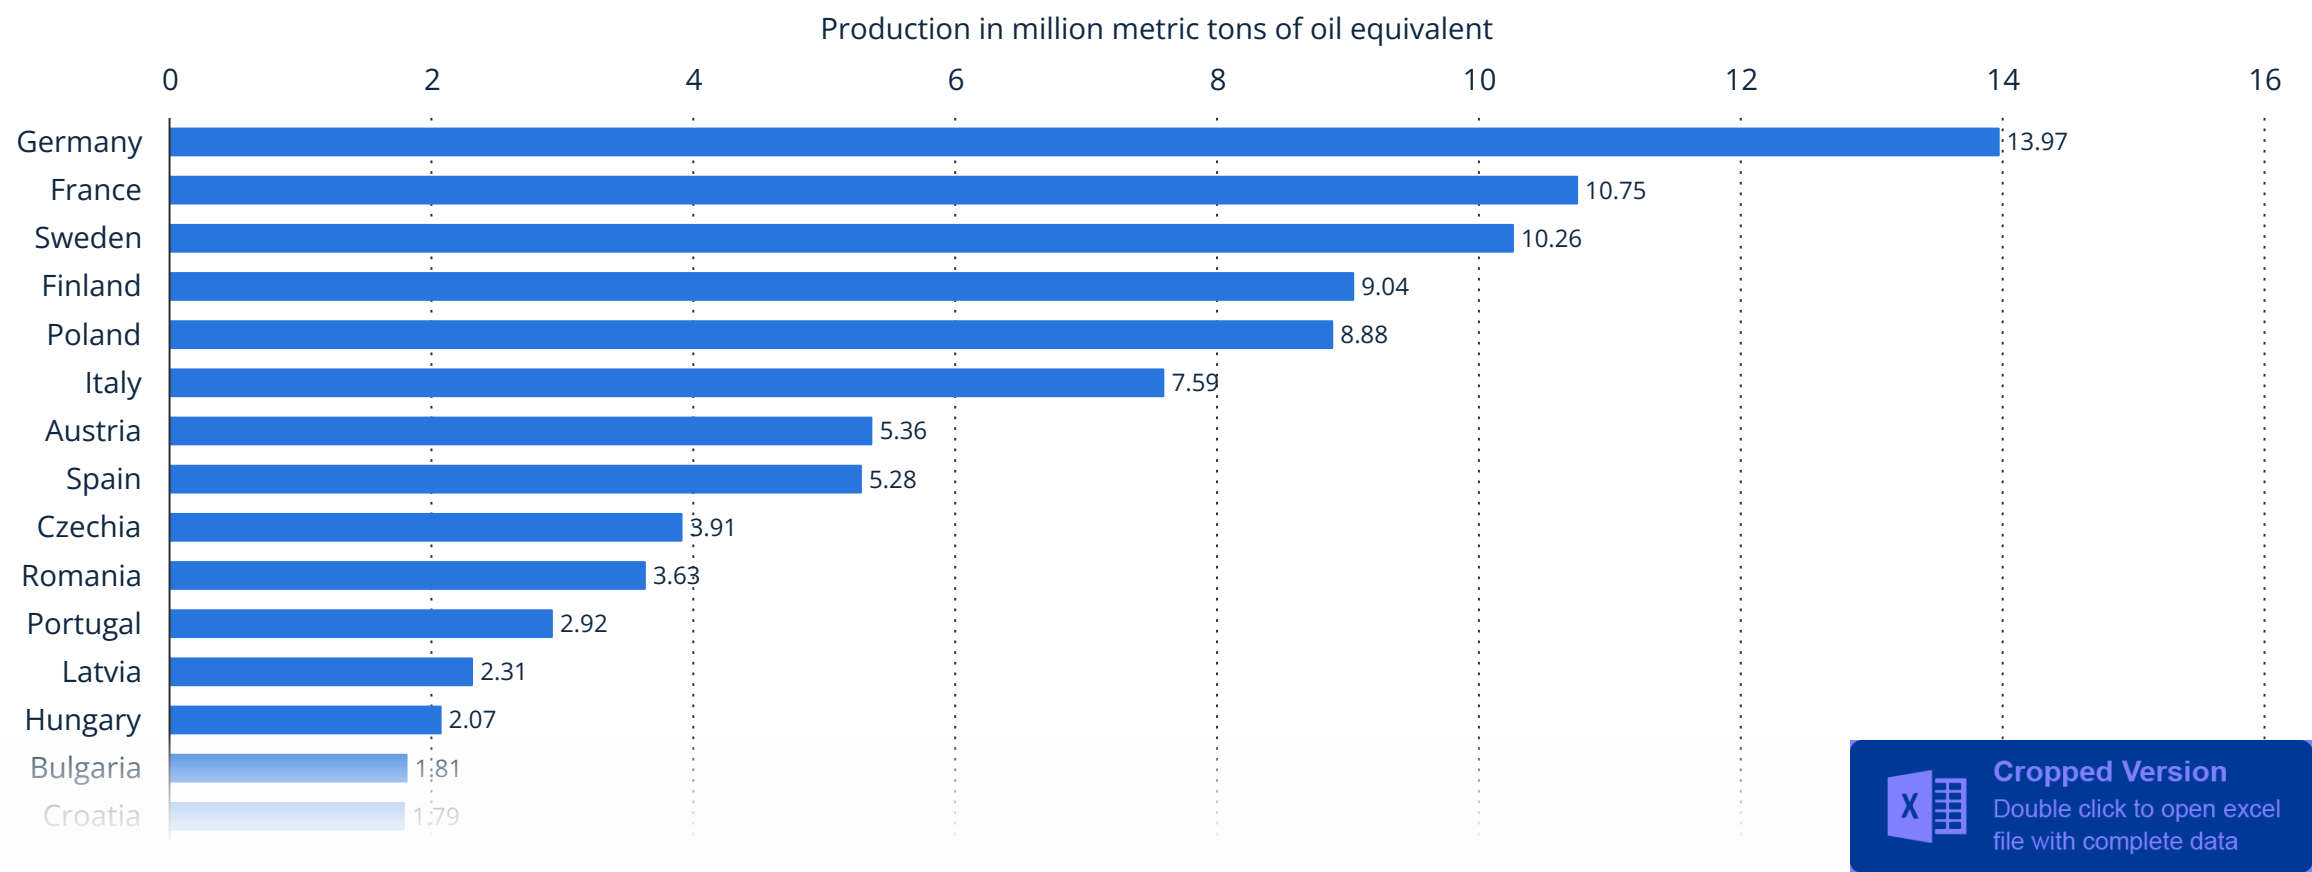

Annual primary energy production from solid biomass in the European Union (EU-27) from 2000 to 2021 (in million metric tons of oil equivalent)

Solid biomass primary energy production in the European Union 2000-2021

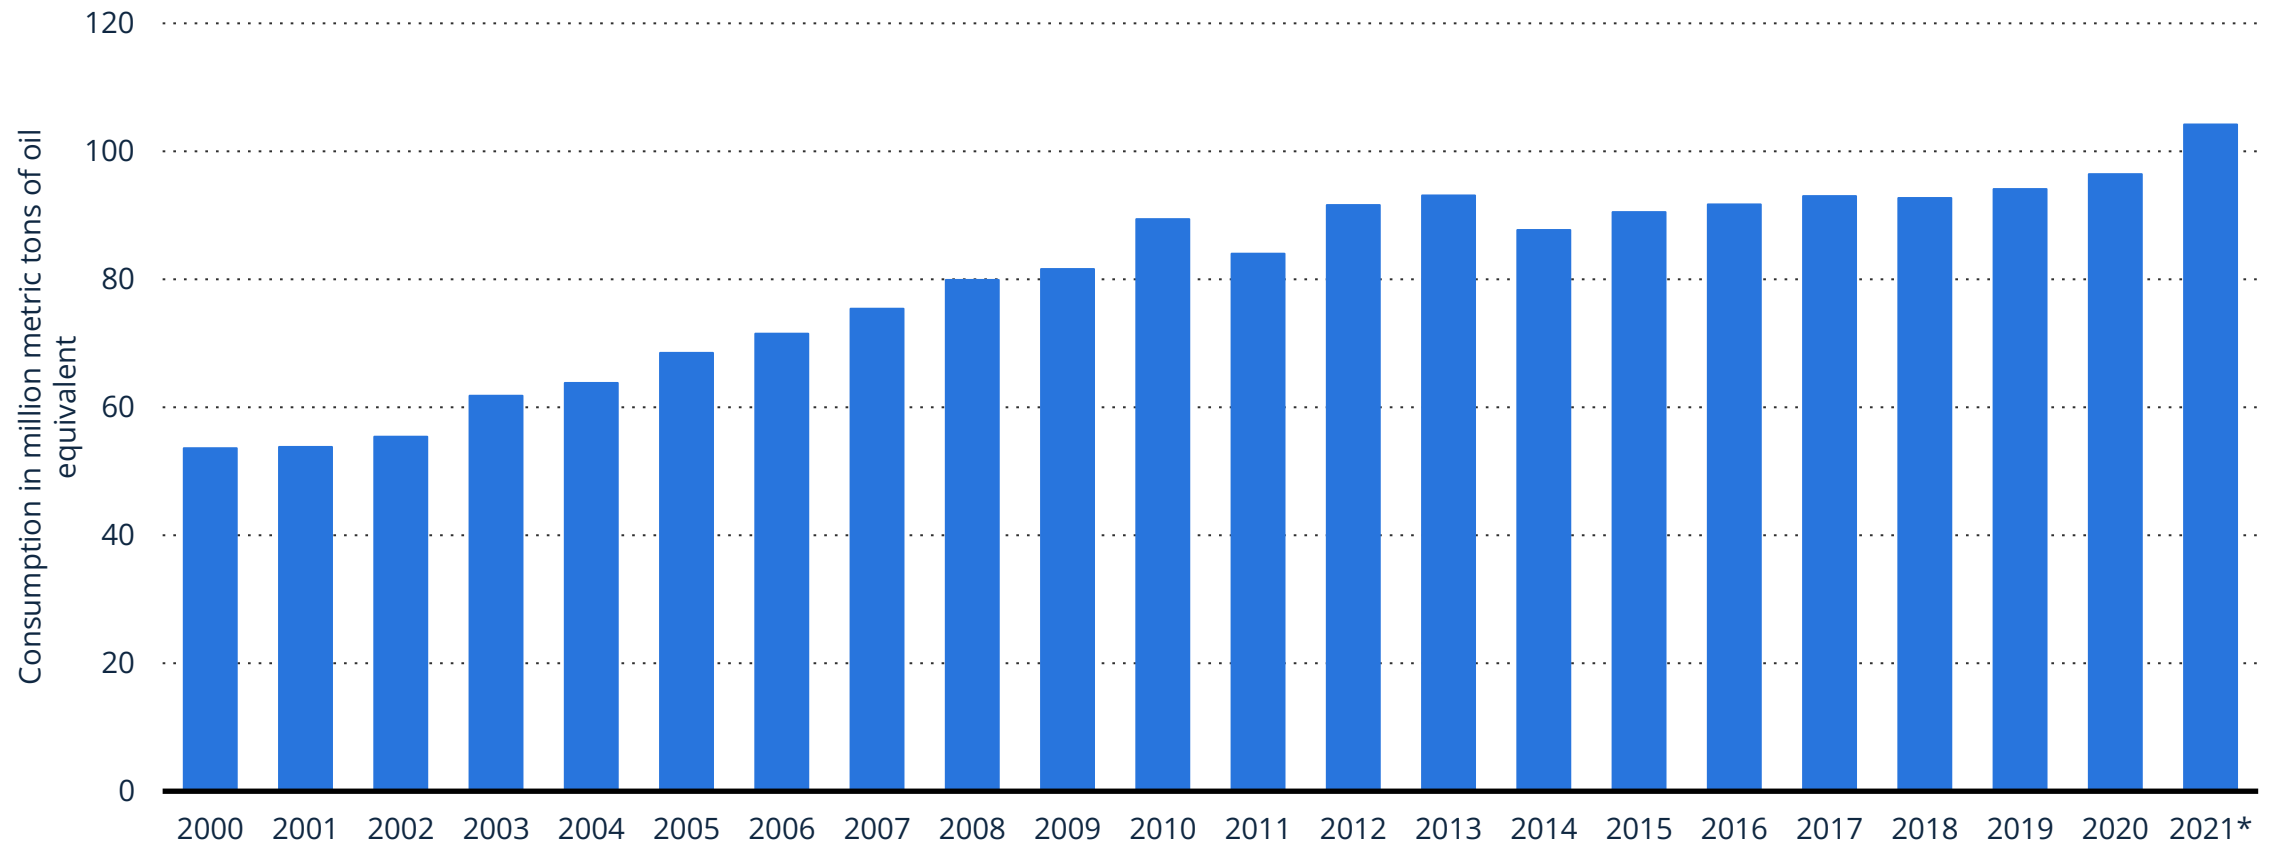

Leading producers of primary energy from solid biomass in the European Union (EU-27) in 2021 (in million metric tons of oil equivalent)

Solid biomass primary energy production in the European Union 2021, by country

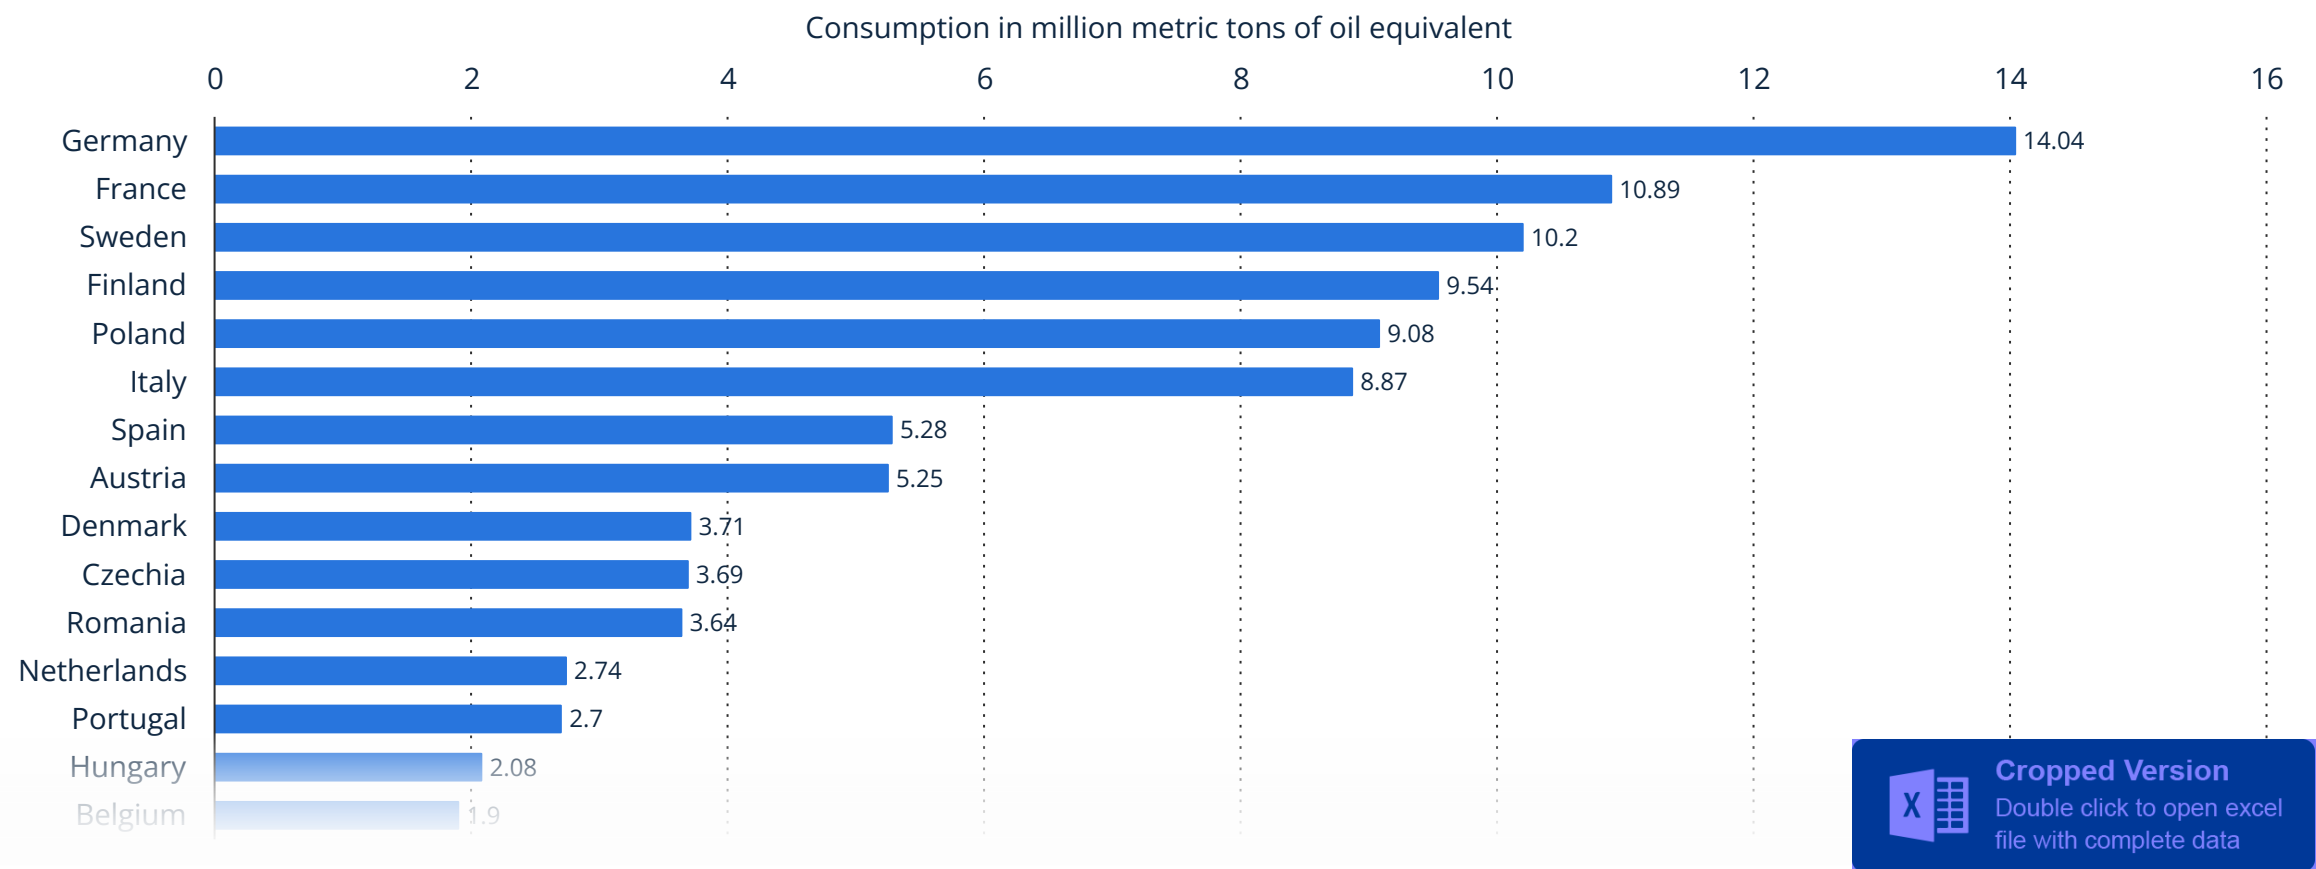

Annual inland consumption of energy from solid biomass in the European Union (EU-27) from 2000 to 2021 (in million metric tons of oil equivalent)

Inland consumption of solid biomass energy in the European Union 2000-2021

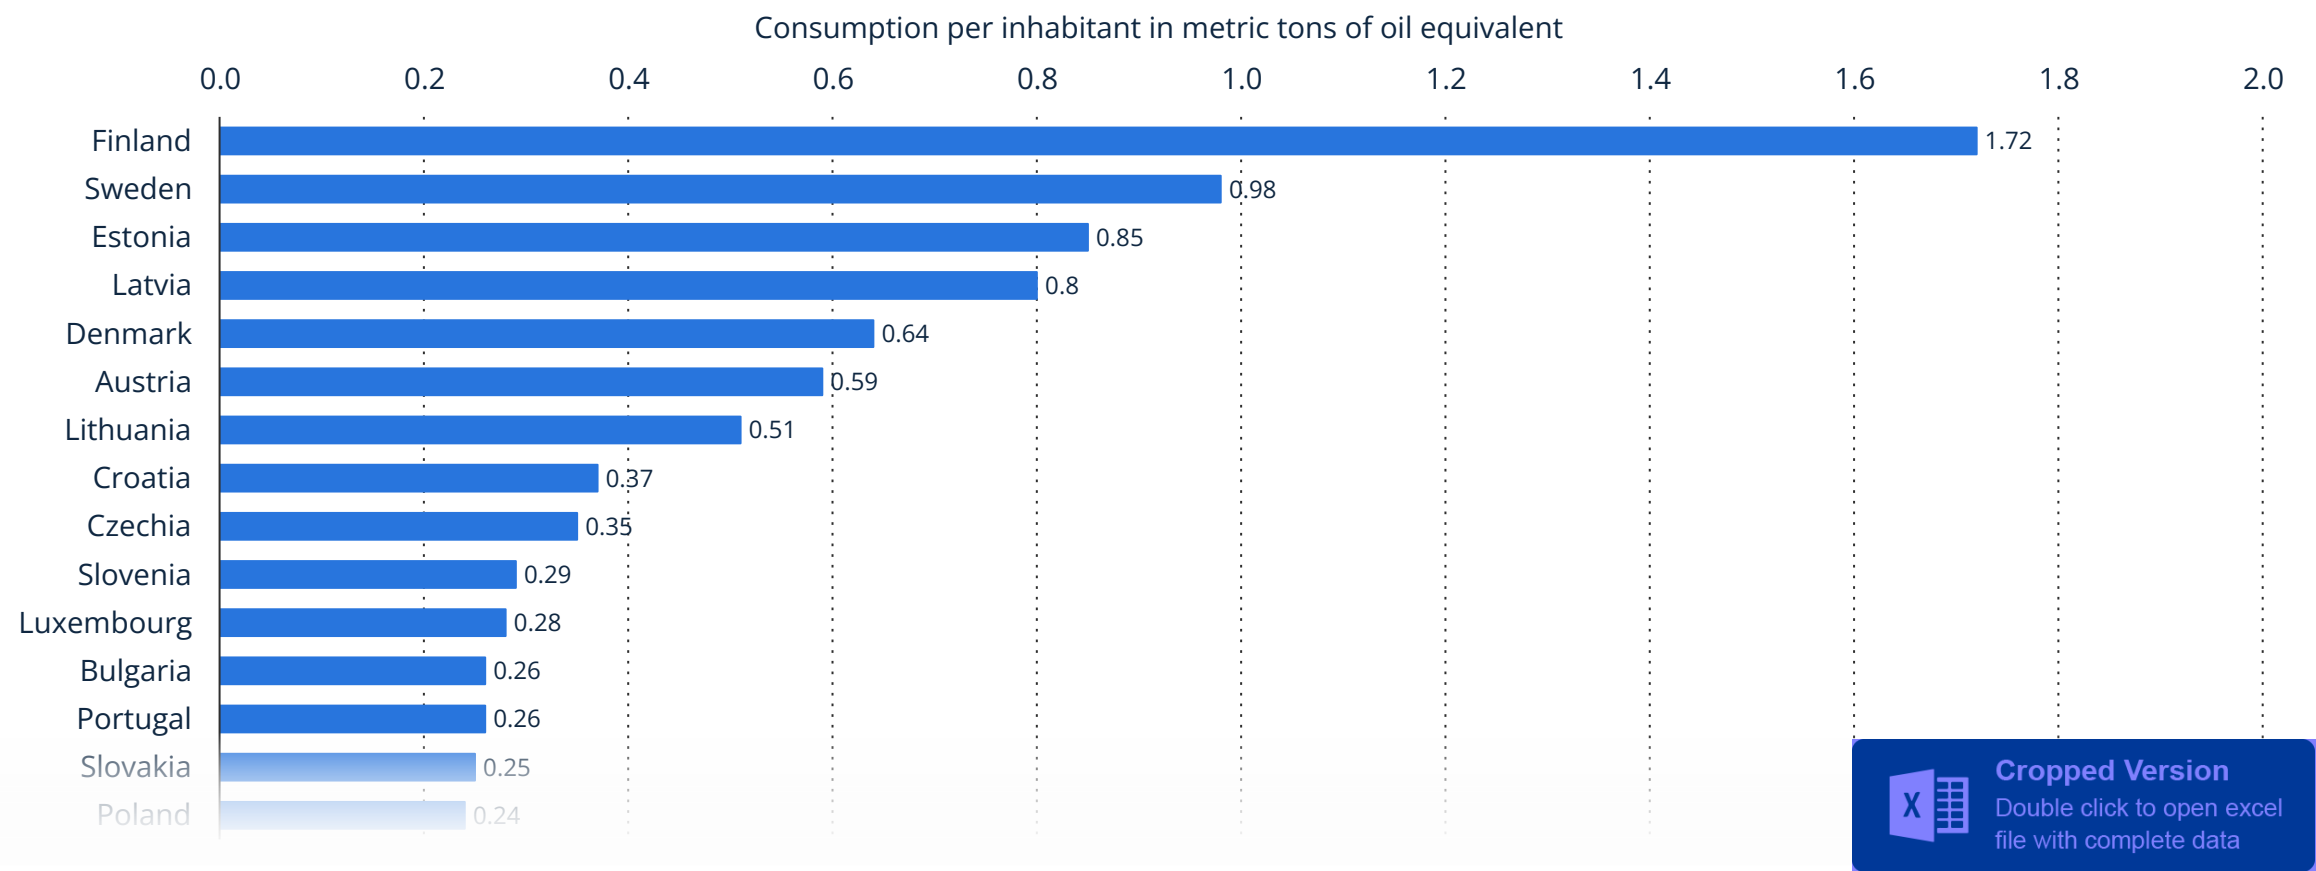

Leading consumers of energy from solid biomass in the European Union (EU-27) in 2021 (in million metric tons of oil equivalent)

Inland consumption of solid biomass energy in the European Union 2021, by country

Gross inland consumption of solid biomass per inhabitant in the European Union (EU-27) in 2021, by country (in metric tons of oil equivalent)

Solid biomass consumption per inhabitant in the European Union 2021, by country

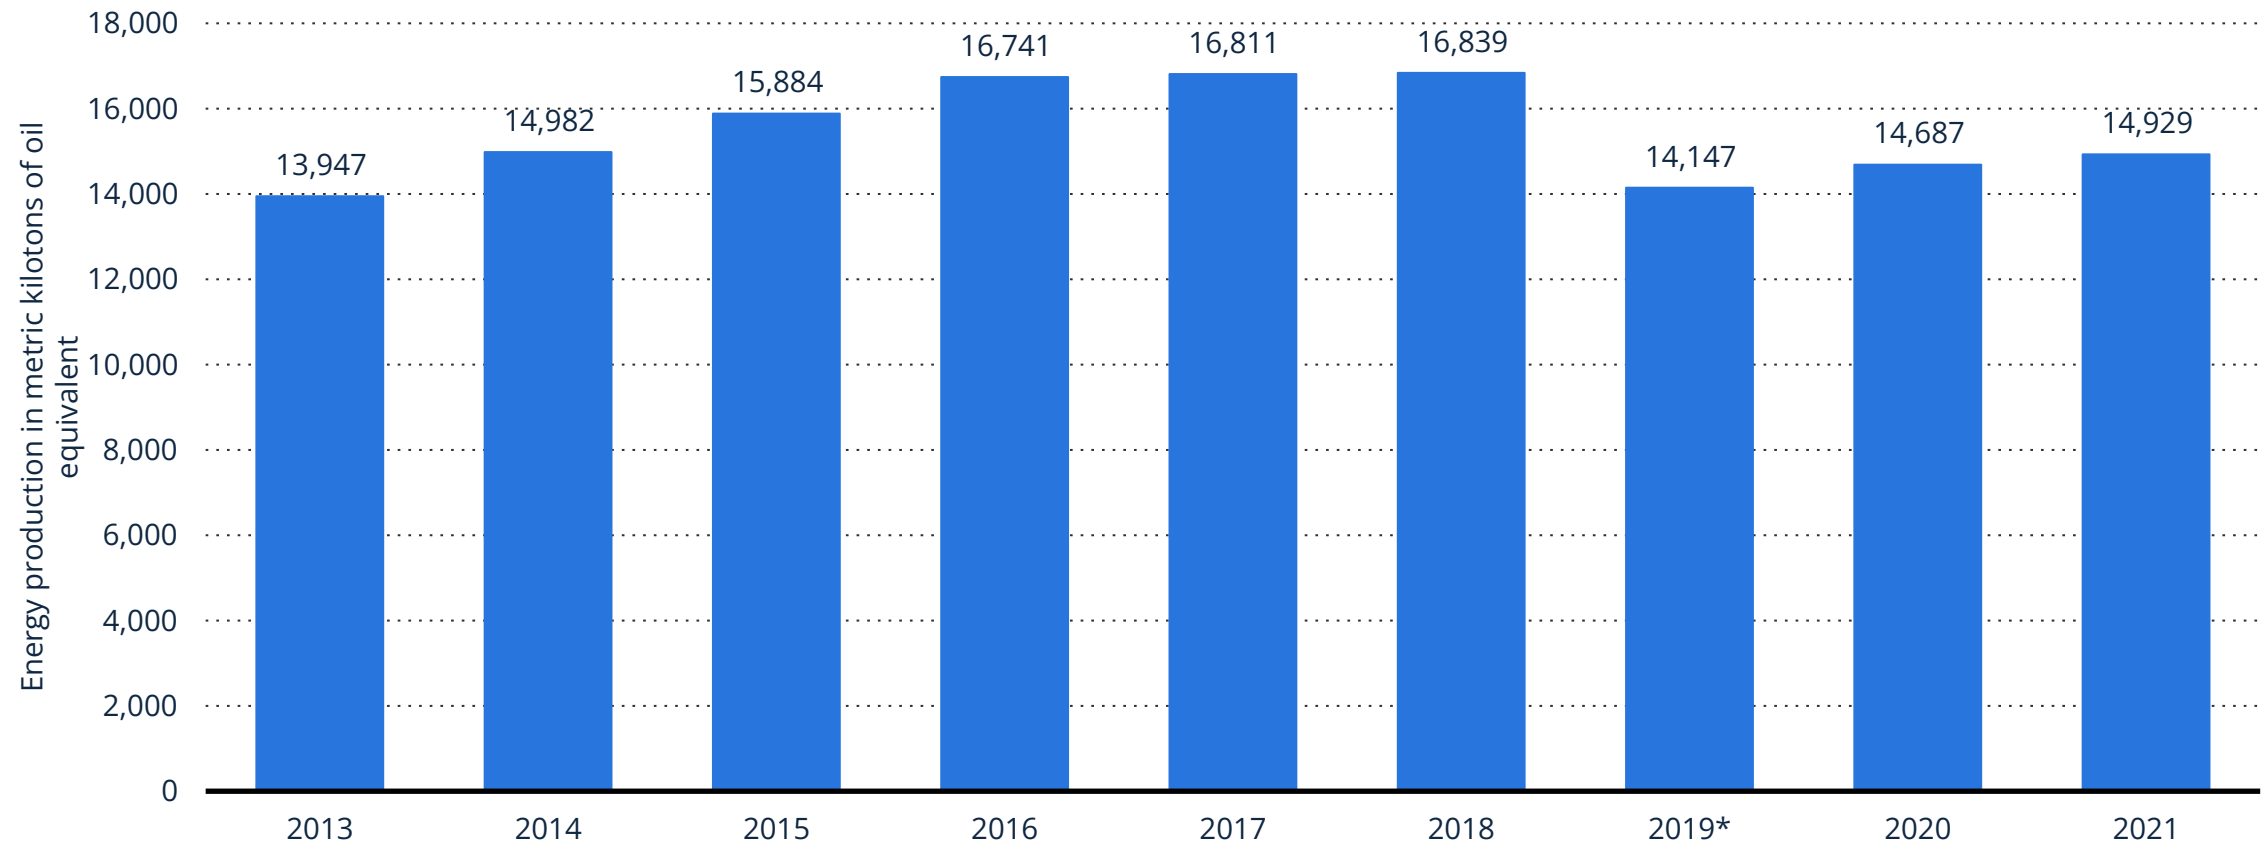

CHAPTER 04

Biogas

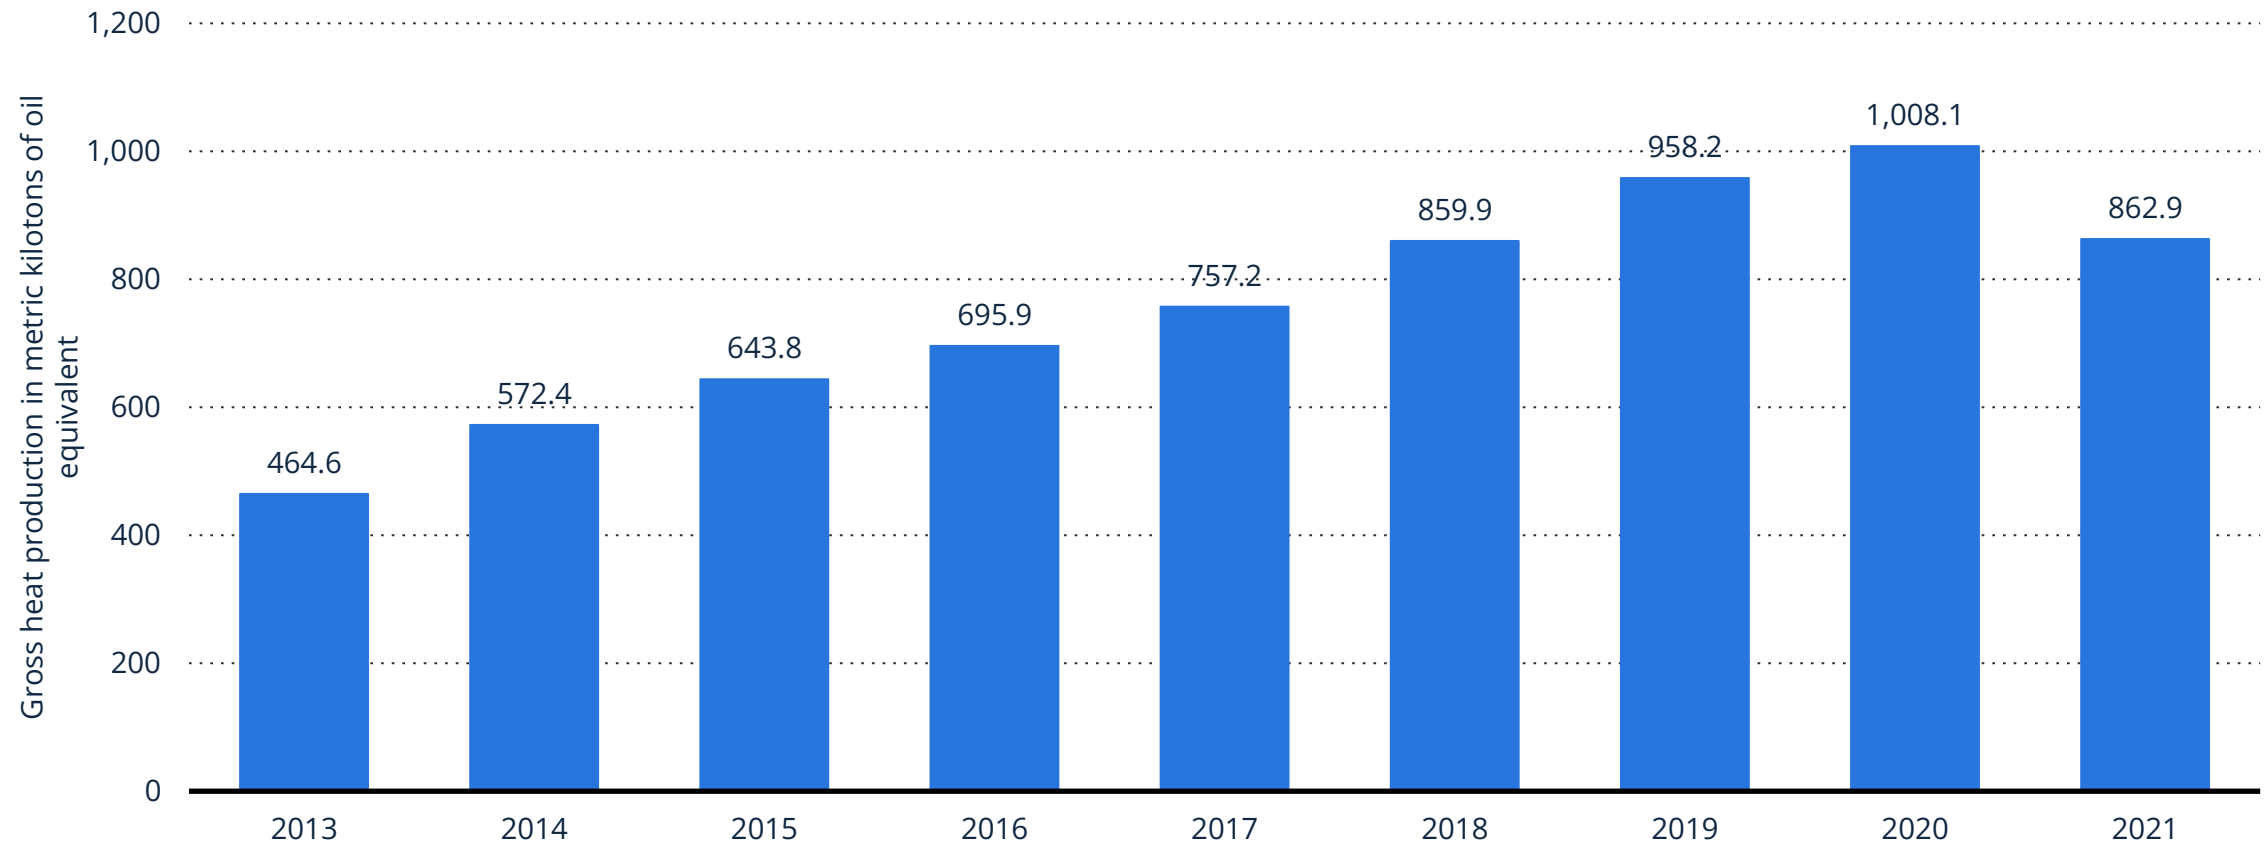

Primary energy production from biogas in the European Union (EU) from 2013 to 2021 (in metric kilotons of oil equivalent)

Energy production from biogas in the European Union (EU) 2013-2021

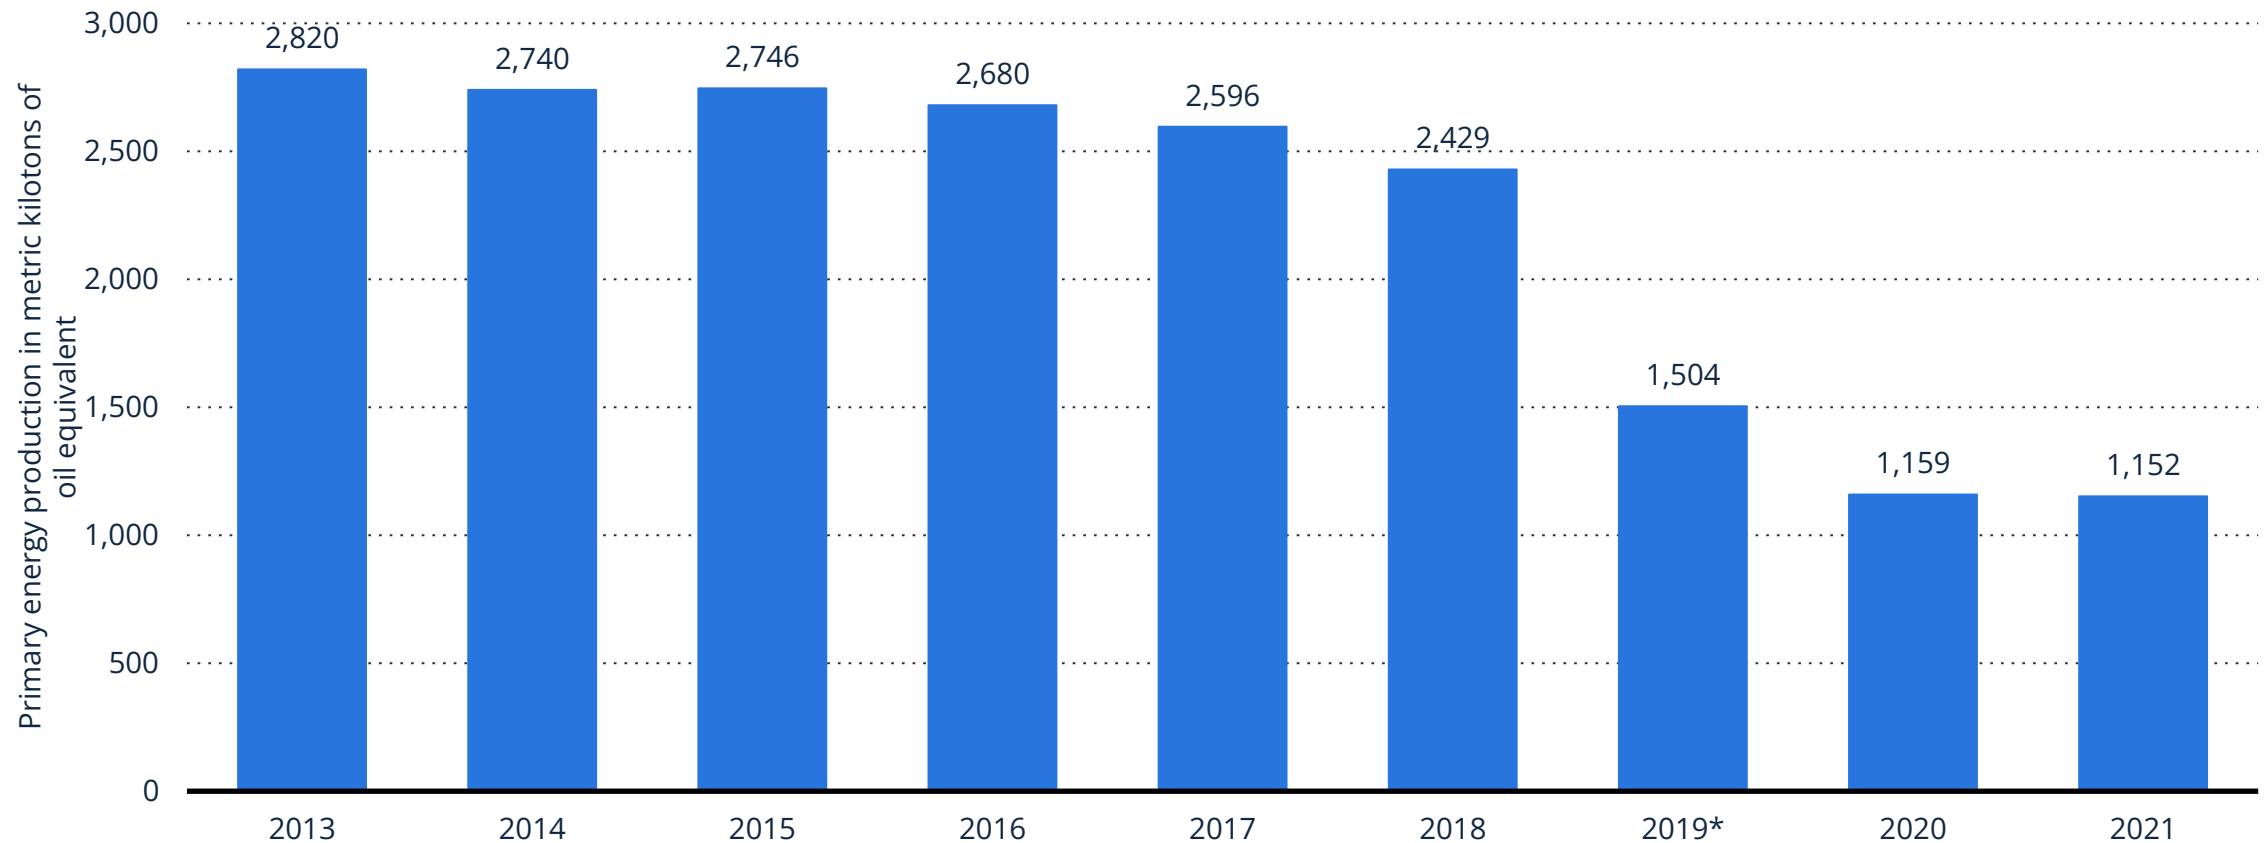

Gross heat production from biogas in the European Union (EU) from 2013 to 2020 (in metric kilotons of oil equivalent)

Gross heat production from biogas in the European Union (EU) 2013-2020

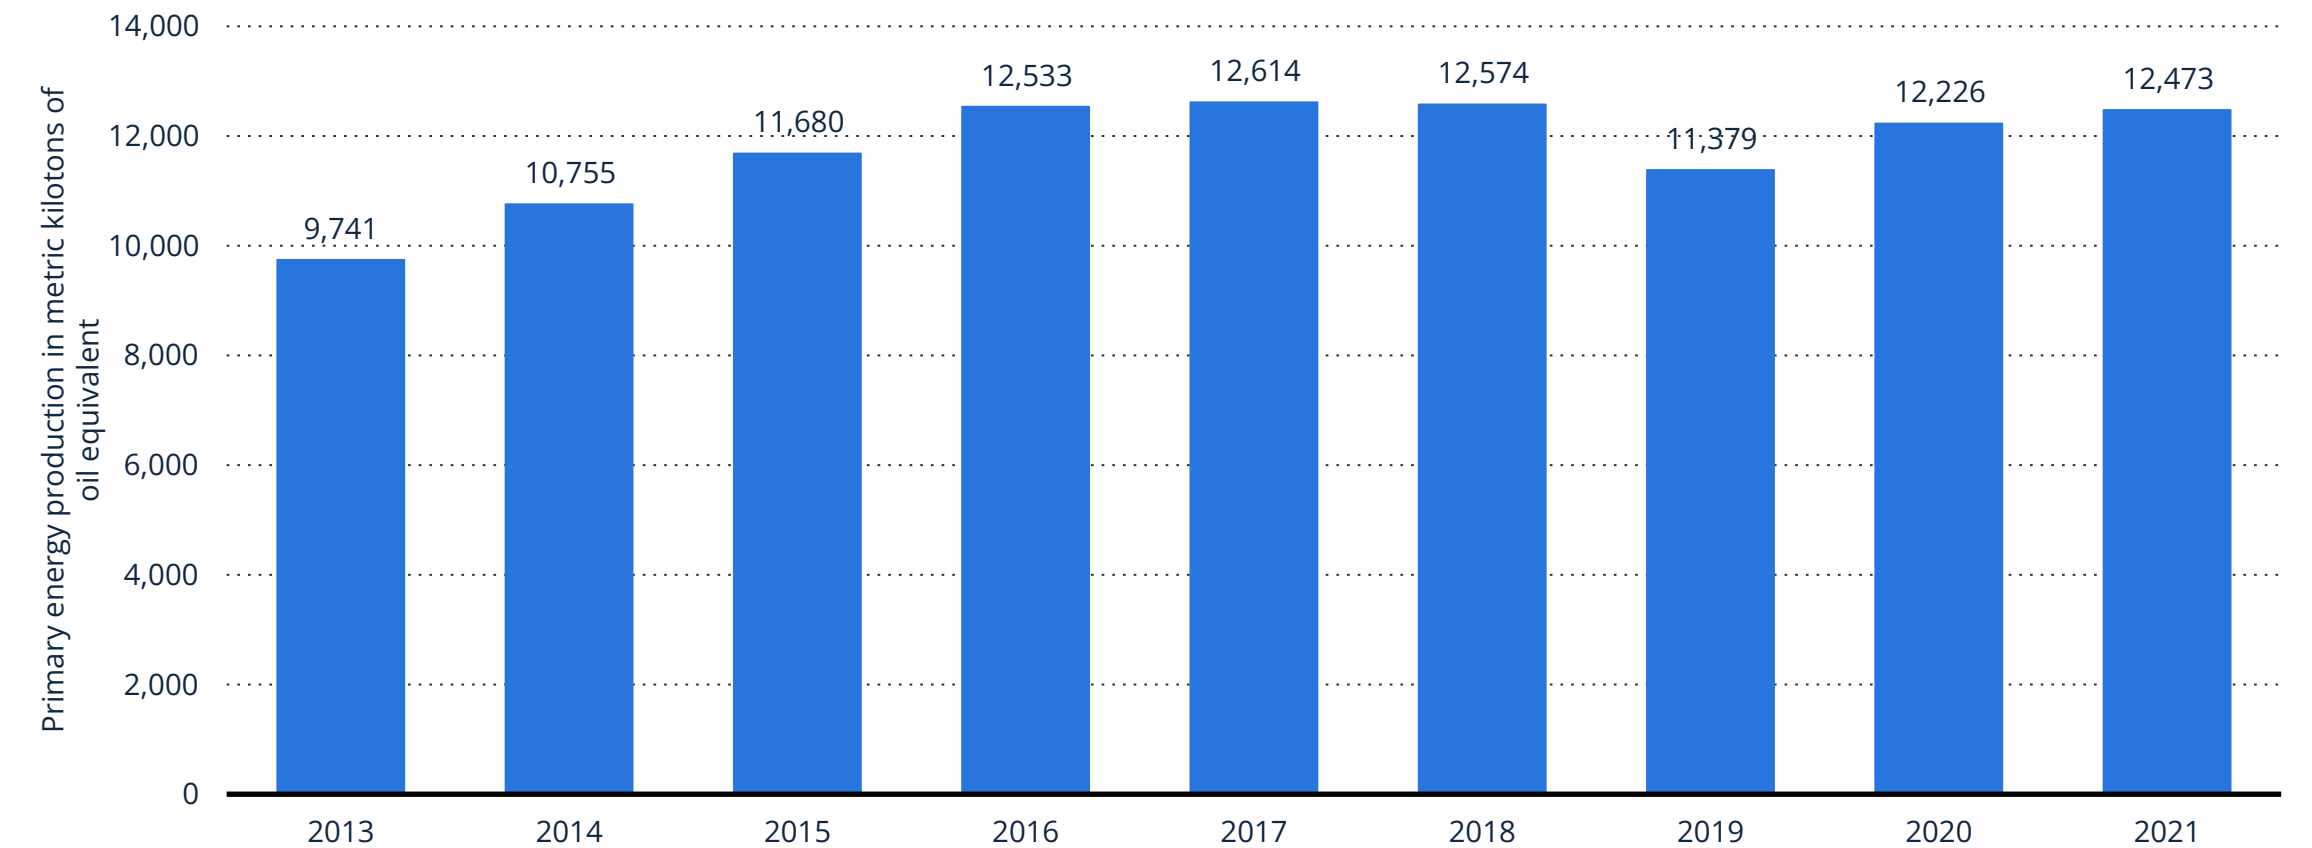

Primary energy production from landfill gas in the European Union (EU) from 2013 to 2020 (in metric kilotons of oil equivalent)

Energy production from landfill gas in the European Union (EU) 2013-2020

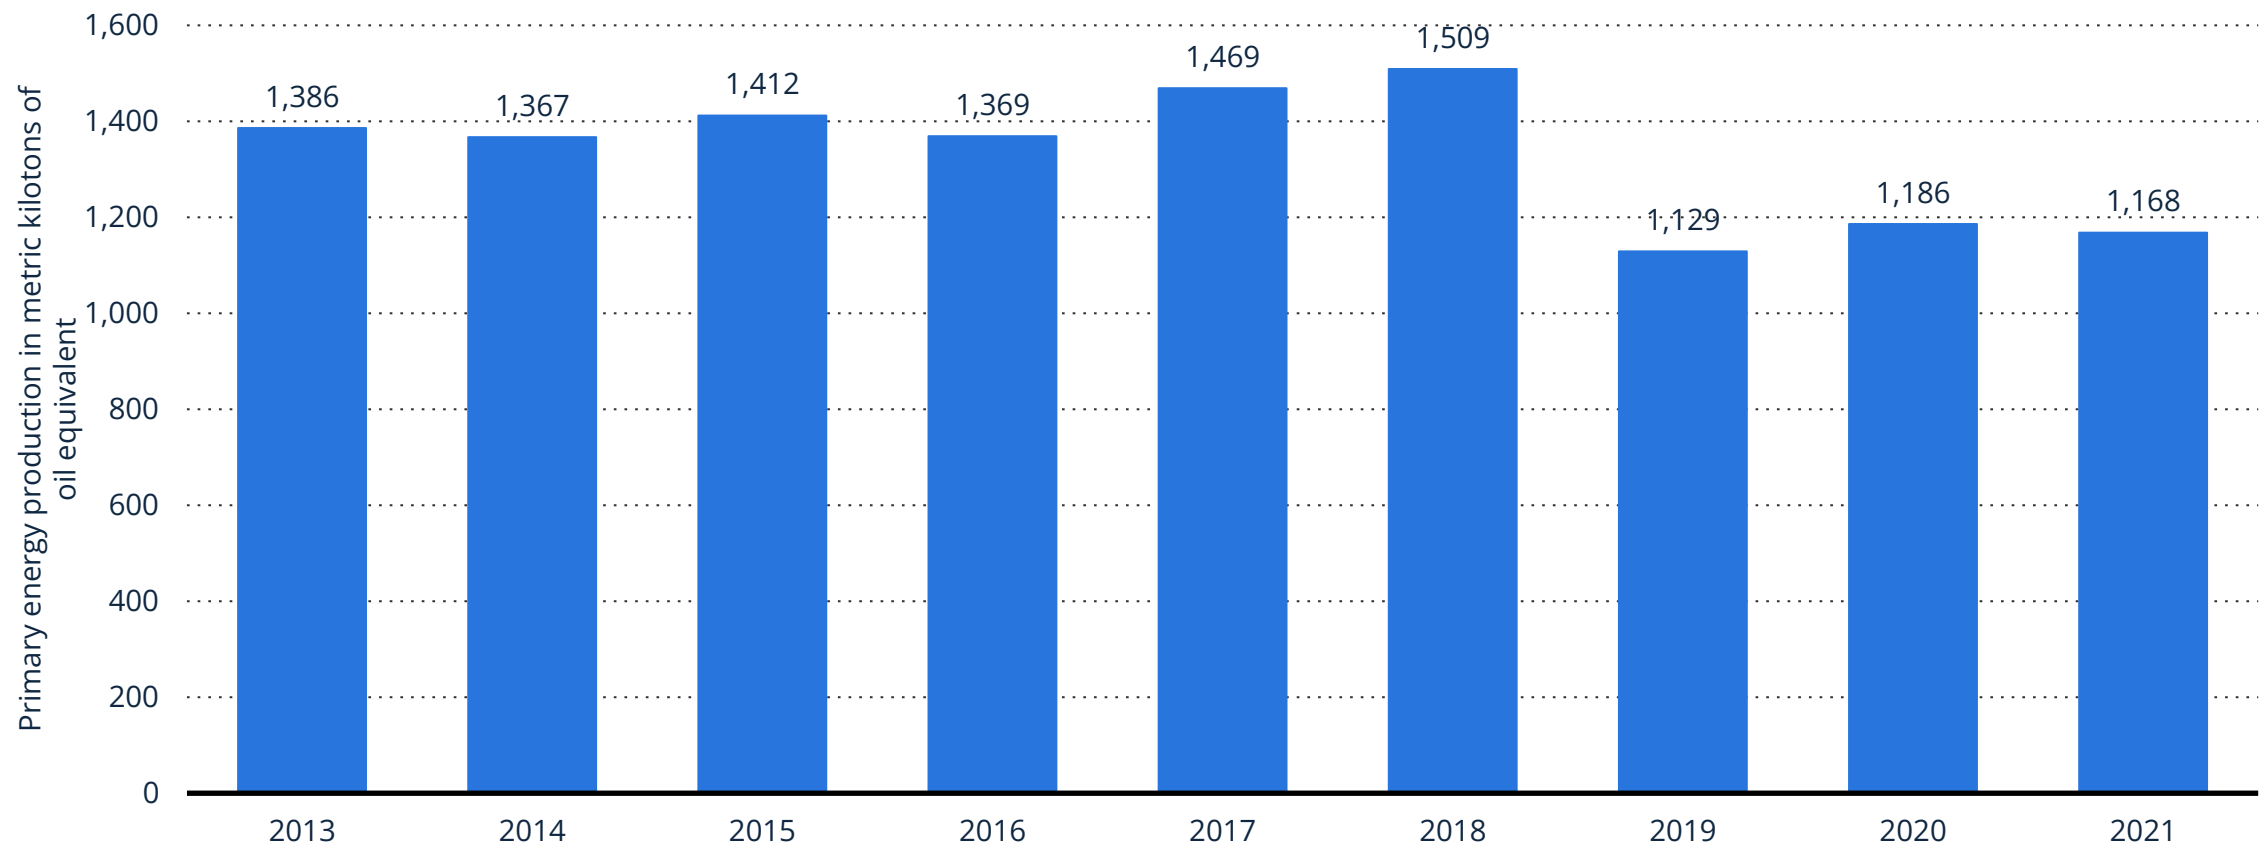

Primary energy production from anaerobic fermentation biogas in the European Union (EU) from 2013 to 2021 (in metric kilotons of oil equivalent)

Energy production from anaerobic fermentation biogas in the European Union 2013-2021

Primary energy production from sewage sludge gas in the European Union (EU) from 2013 to 2021 (in metric kilotons of oil equivalent)

Energy production from sewage sludge gas in the European Union 2013-2021

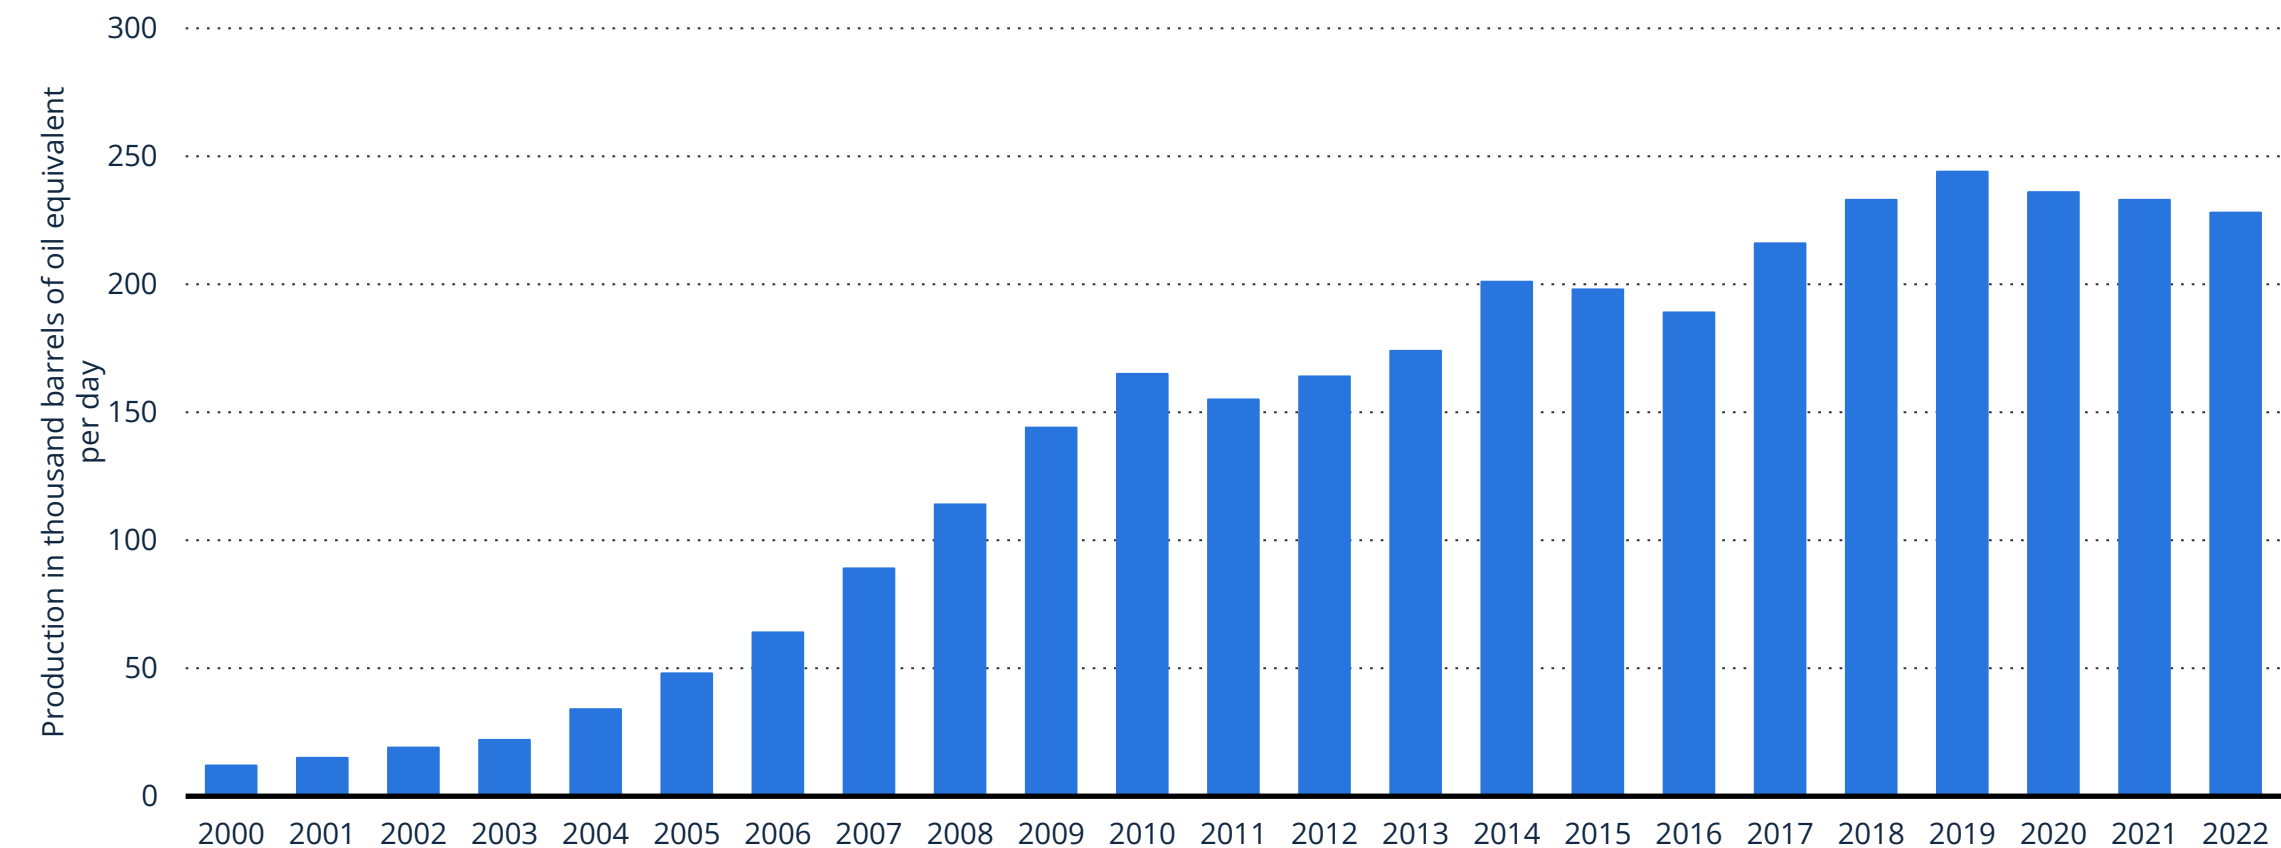

CHAPTER 05

Biofuel

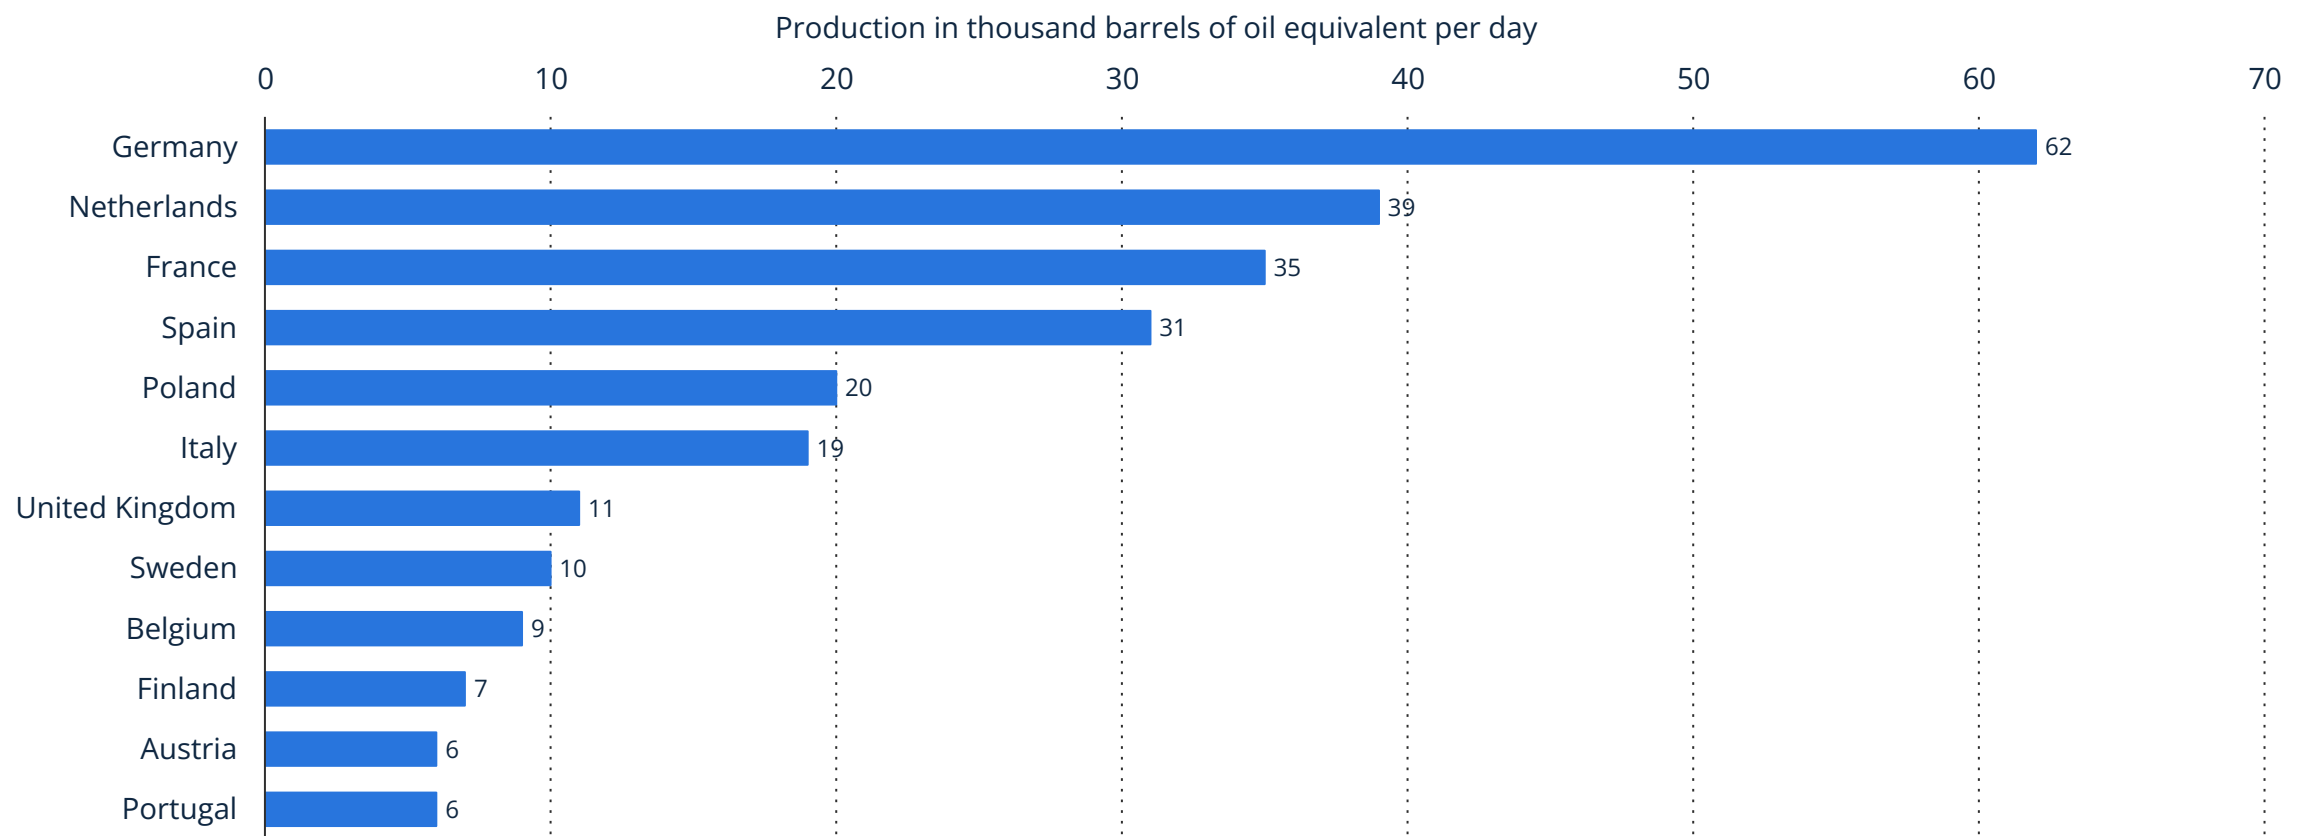

Biofuel production in the European Union from 2000 to 2022 (in 1,000 barrels of oil equivalent per day)

Biofuel production in the EU 2000-2022

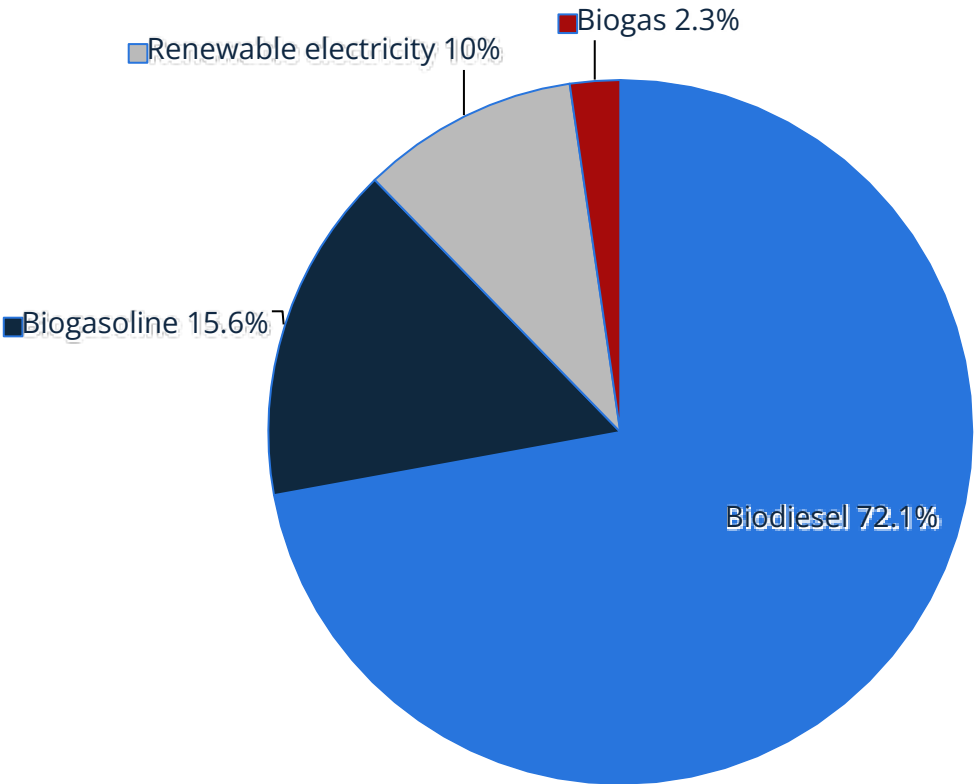

Biofuel production in Europe in 2022, by country (in 1,000 barrels of oil equivalent per day)

Biofuel production in Europe 2022, by country

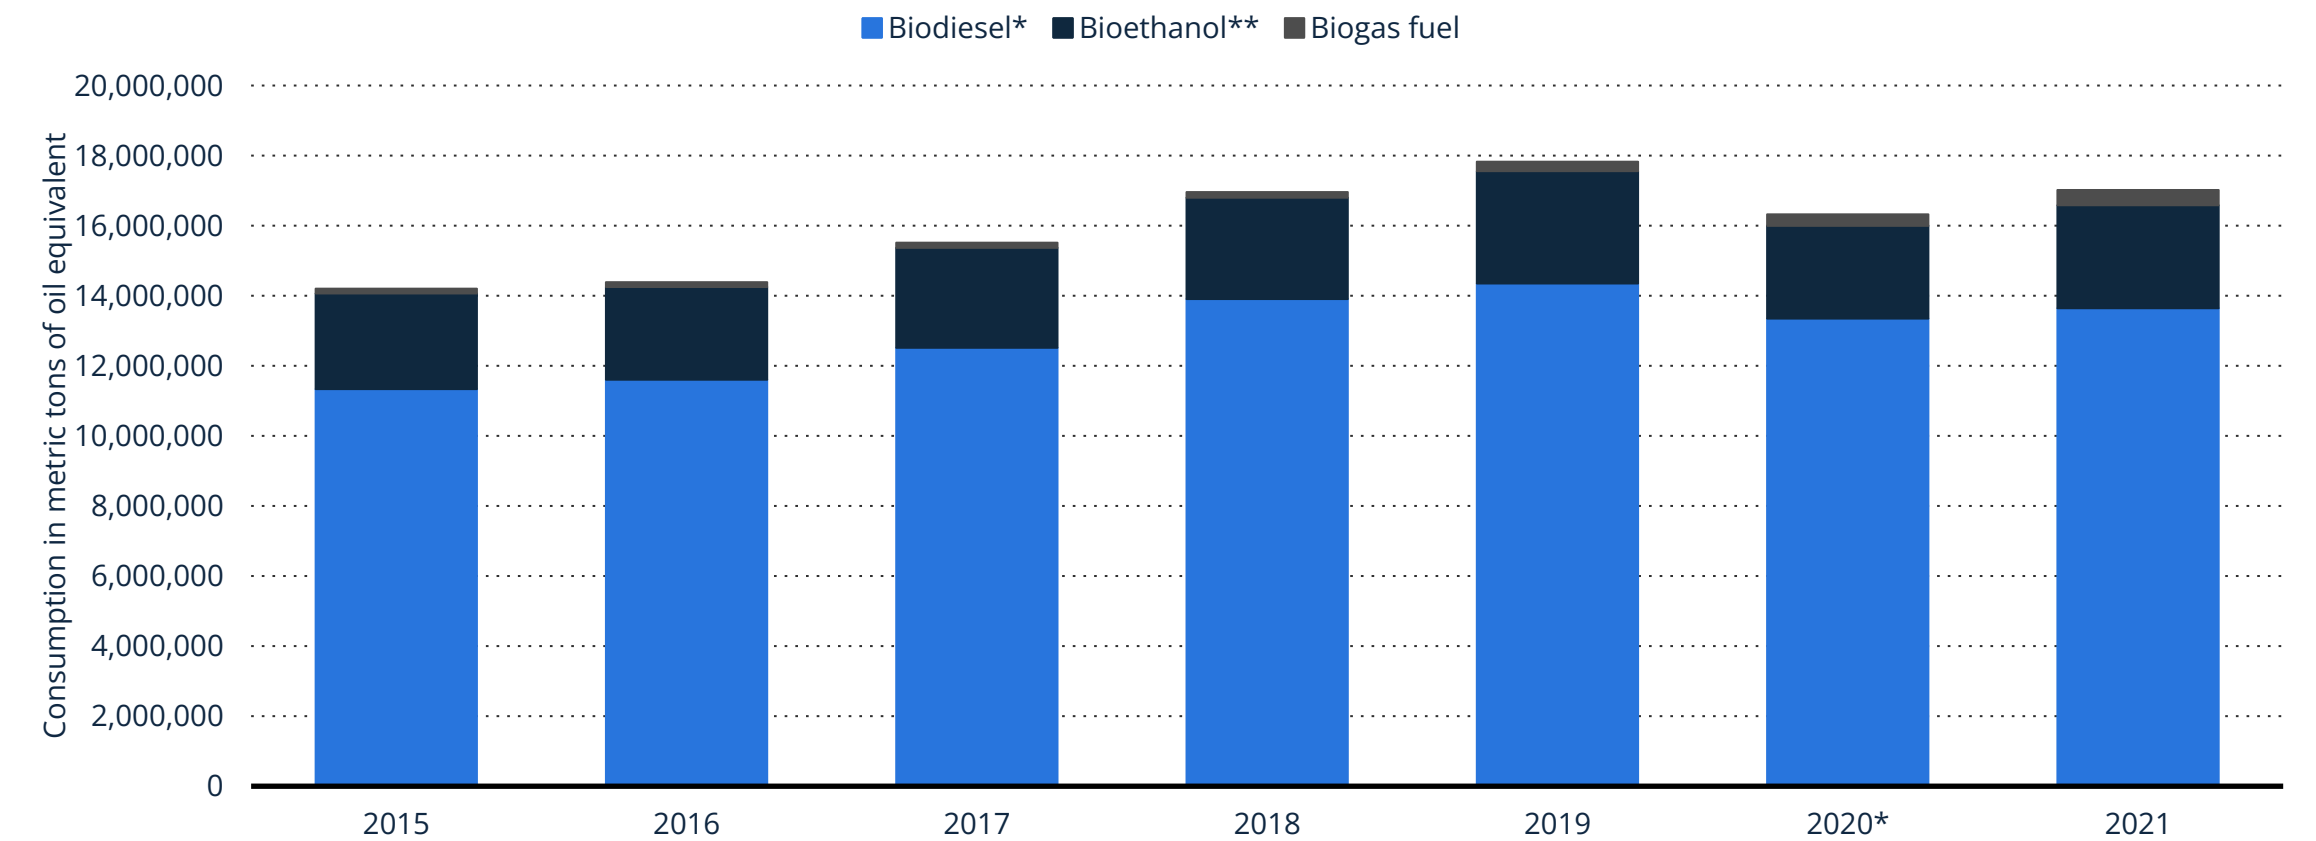

Distribution of renewable energy used for transportation in the European Union (EU-27) in 2021, by fuel type

Share of biofuel consumption in the EU-27 for transportation 2021, by fuel type

Consumption of biofuels for transportation in the European Union from 2015 to 2021, by fuel type (in metric tons of oil equivalent)

Biofuels consumption for transportation in the European Union 2015-2021

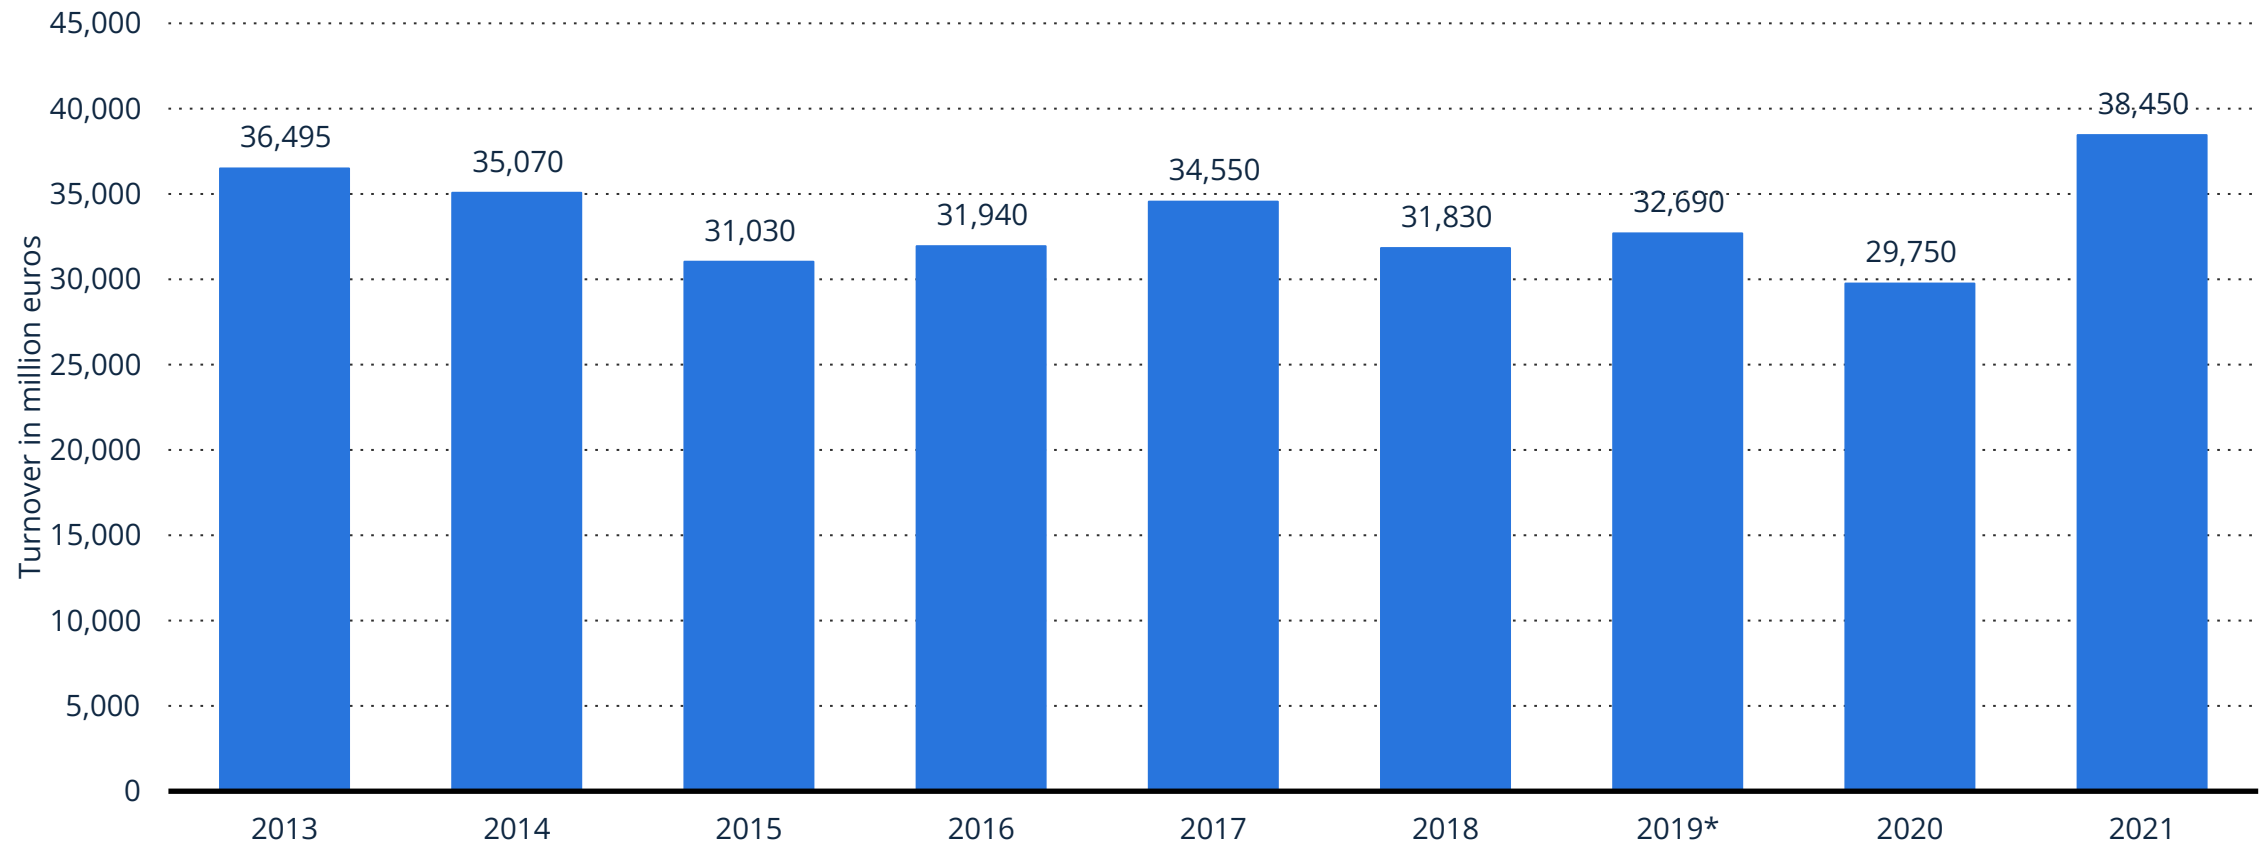

CHAPTER 06

Economic data

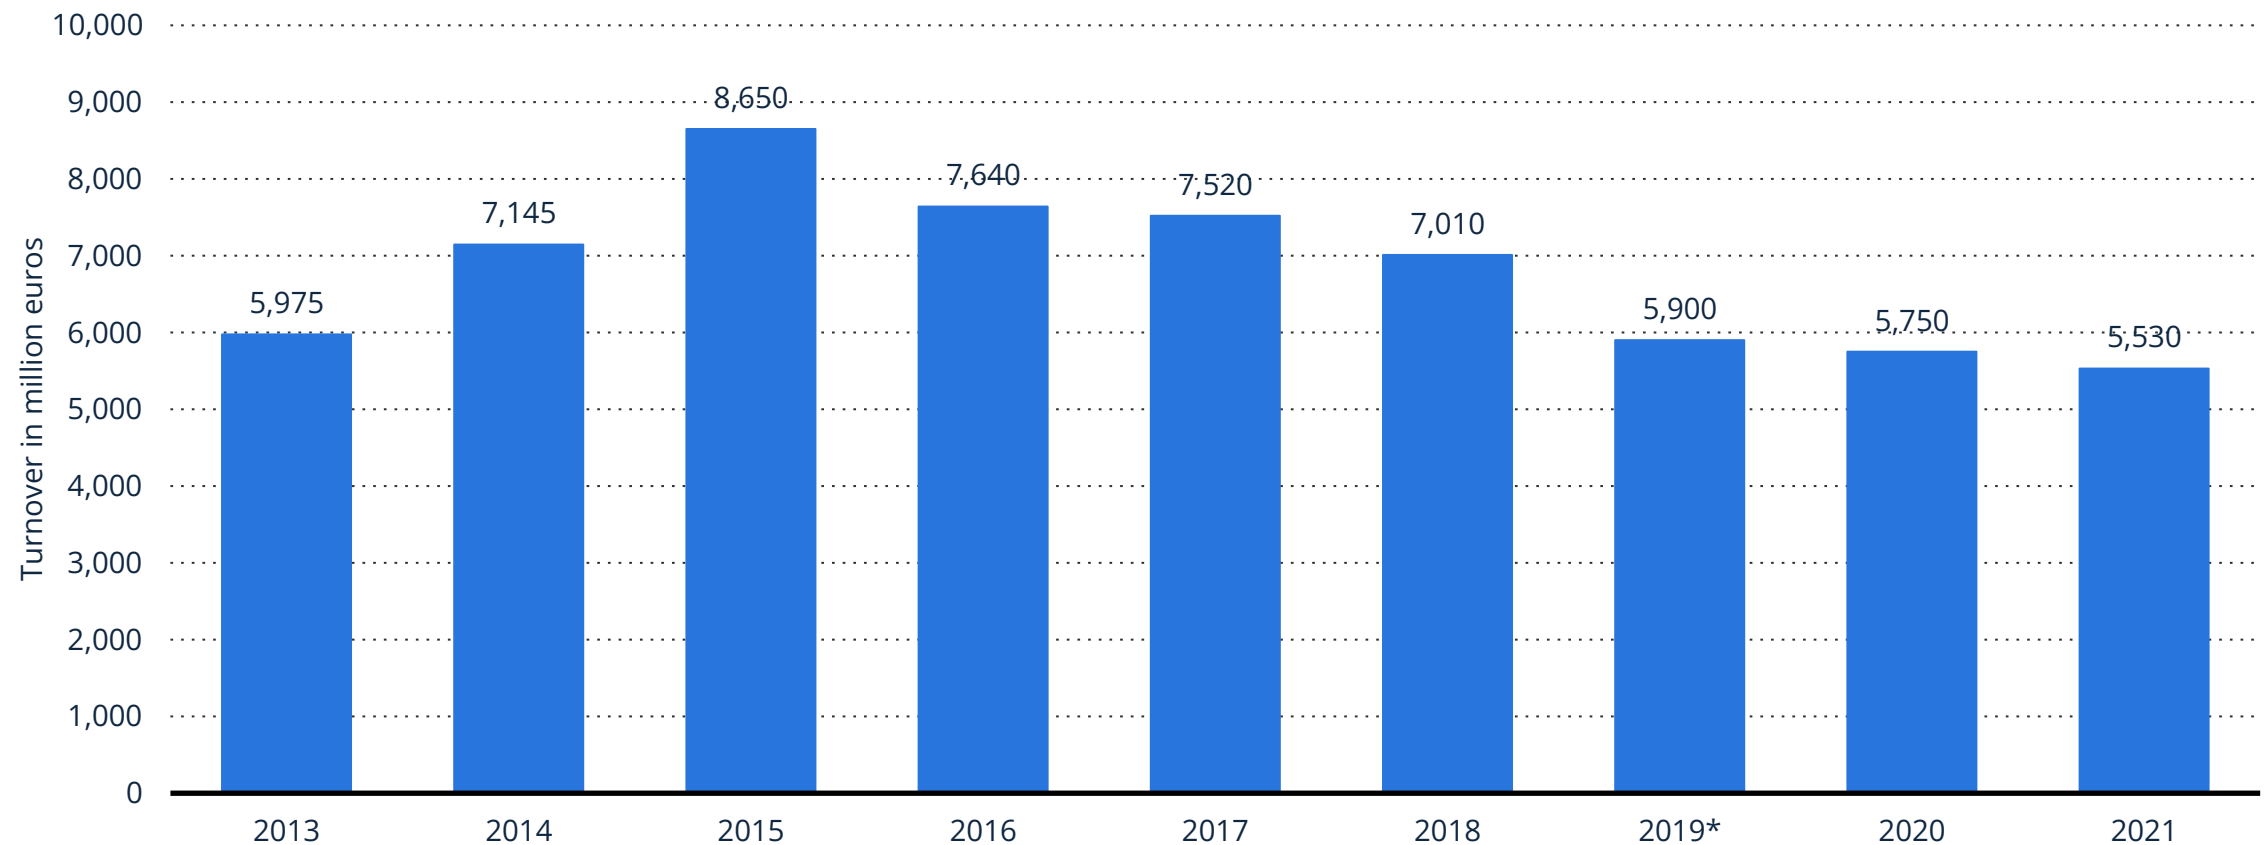

Turnover of the solid biomass industry in the European Union from 2013 to 2021 (in million euros)

Turnover of the biomass industry in the European Union 2013-2021

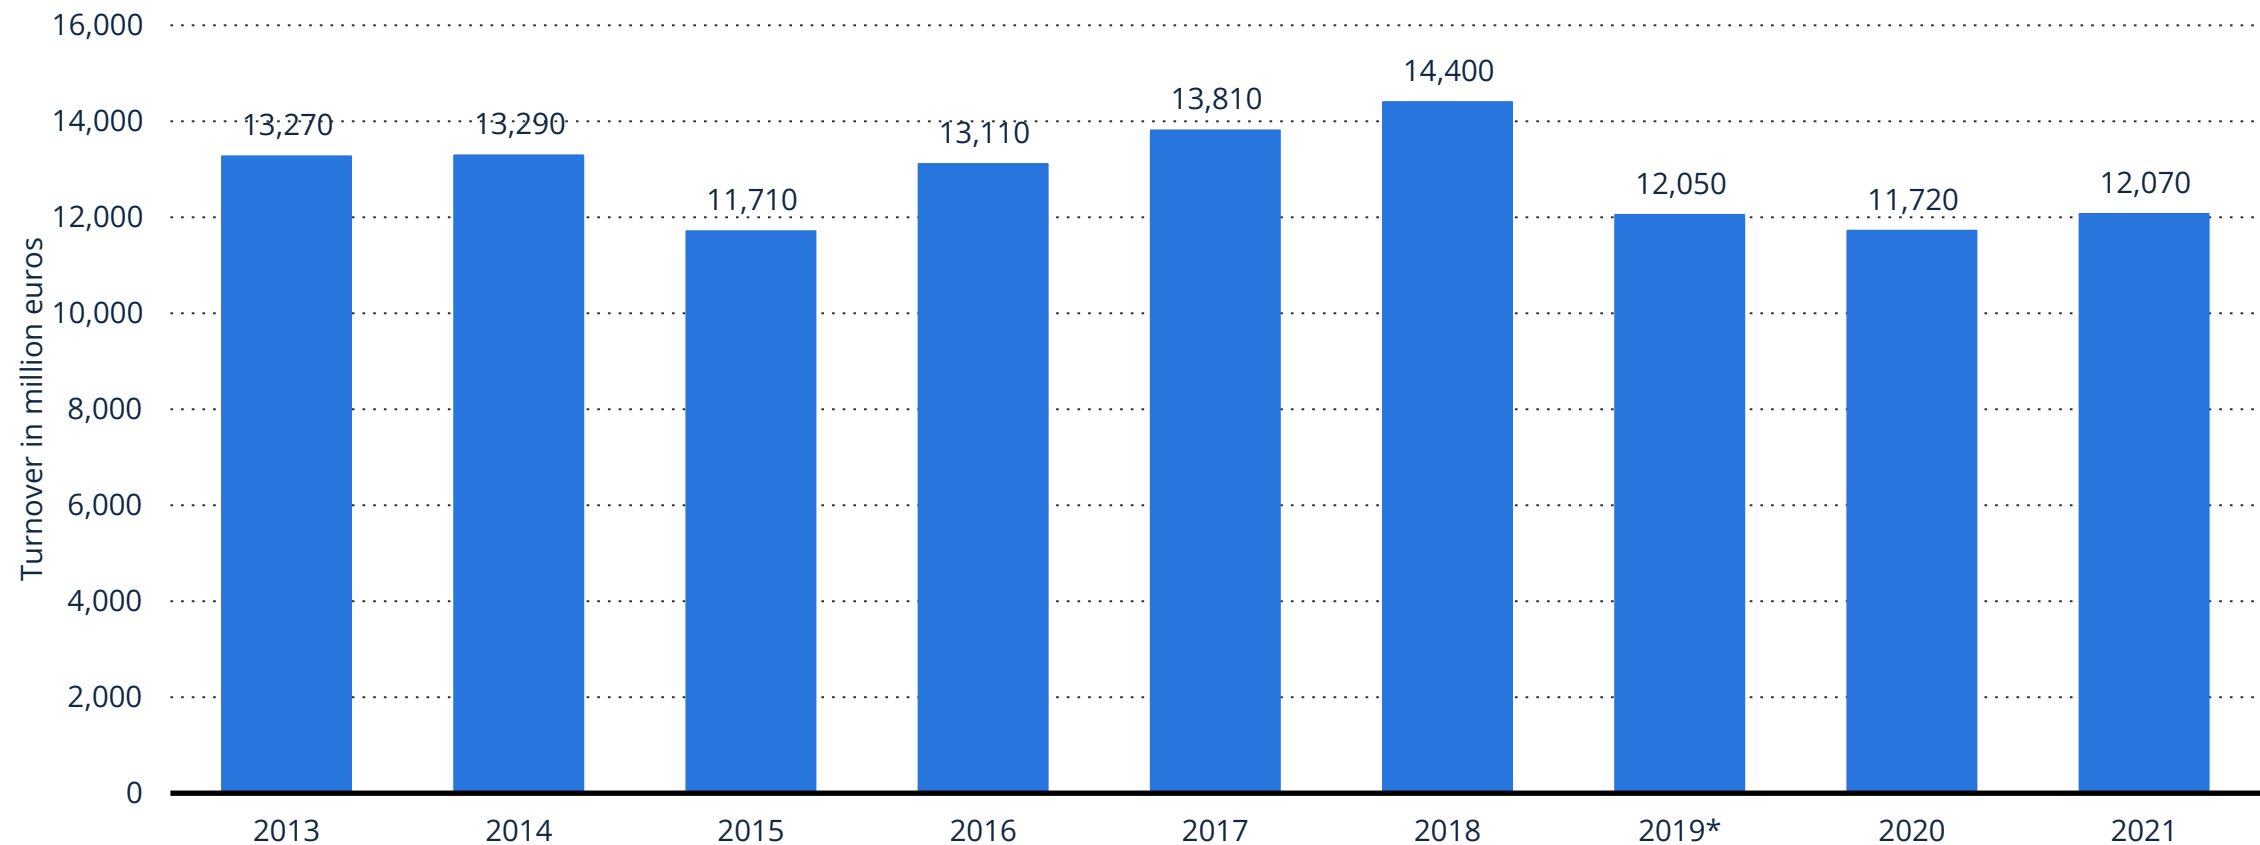

Turnover of the biogas industry in the European Union from 2013 to 2021 (in million euros)

Turnover of the biogas industry in the European Union 2013-2021

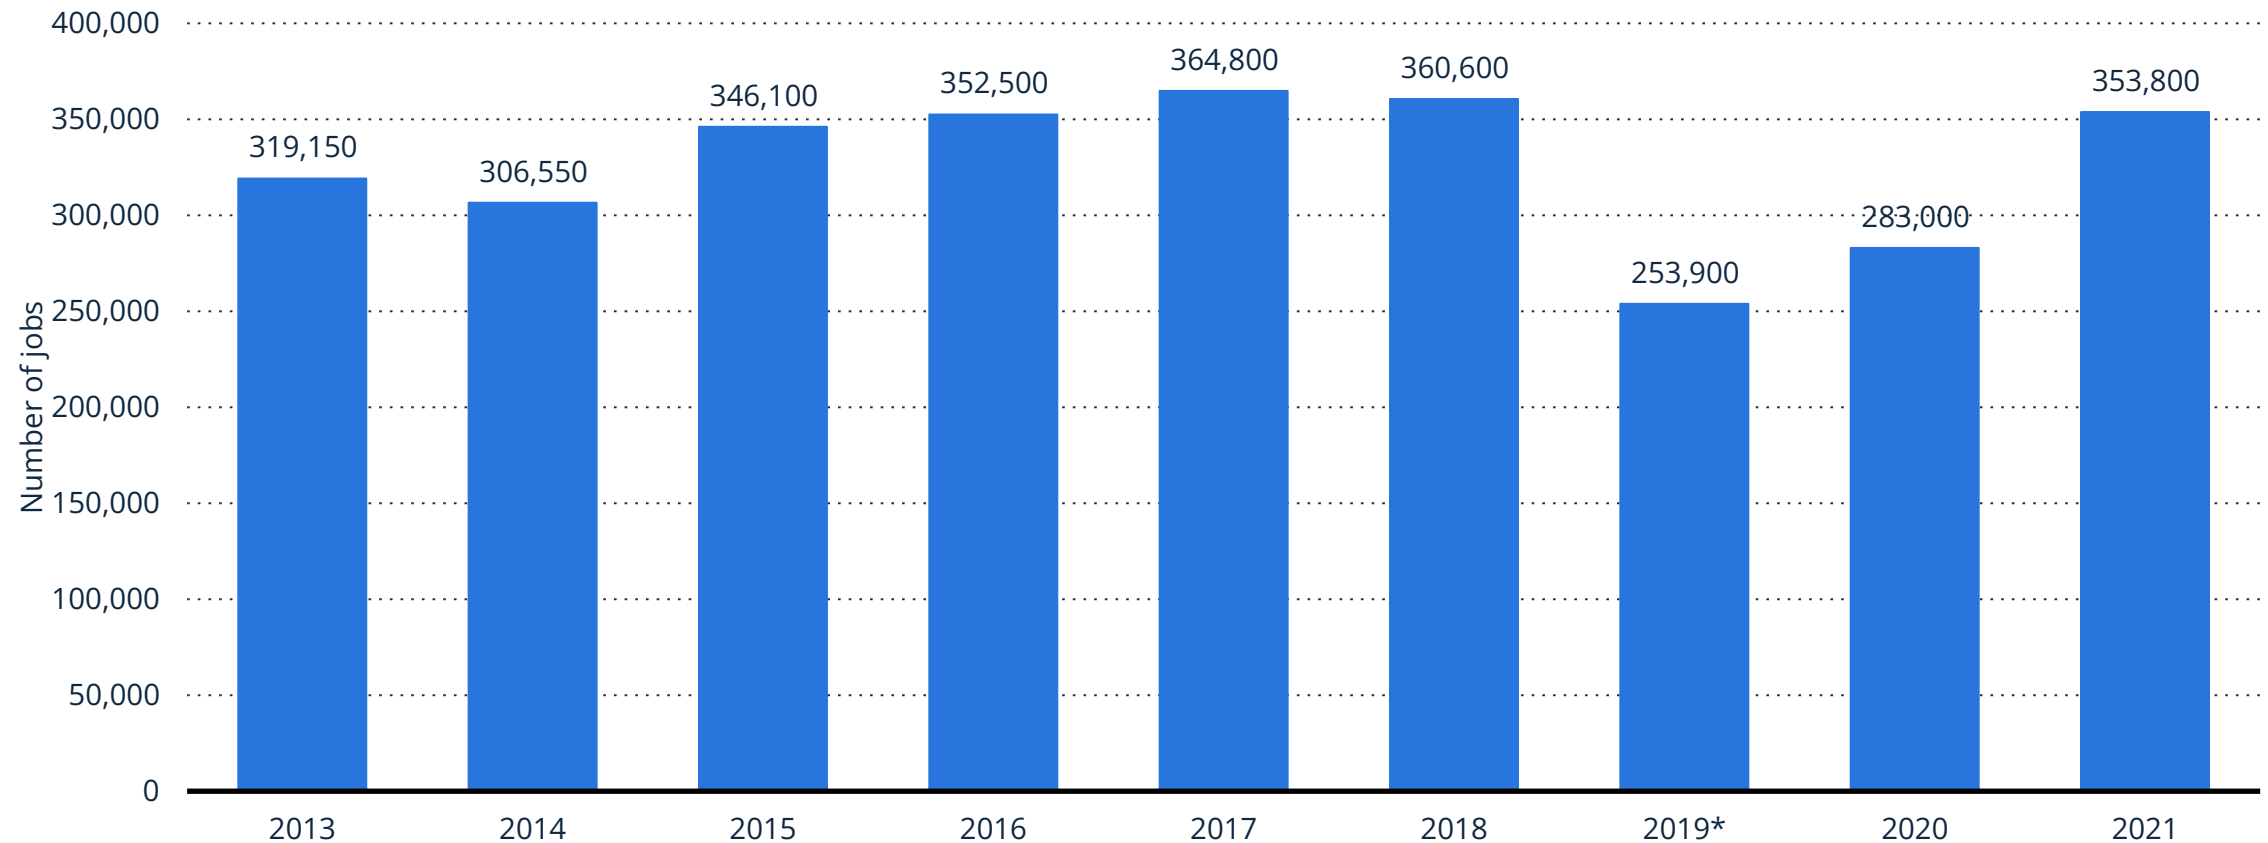

Turnover of the biofuels industry in the European Union from 2013 to 2021 (in million euros)

Turnover of the biofuels industry in the European Union 2013-2021

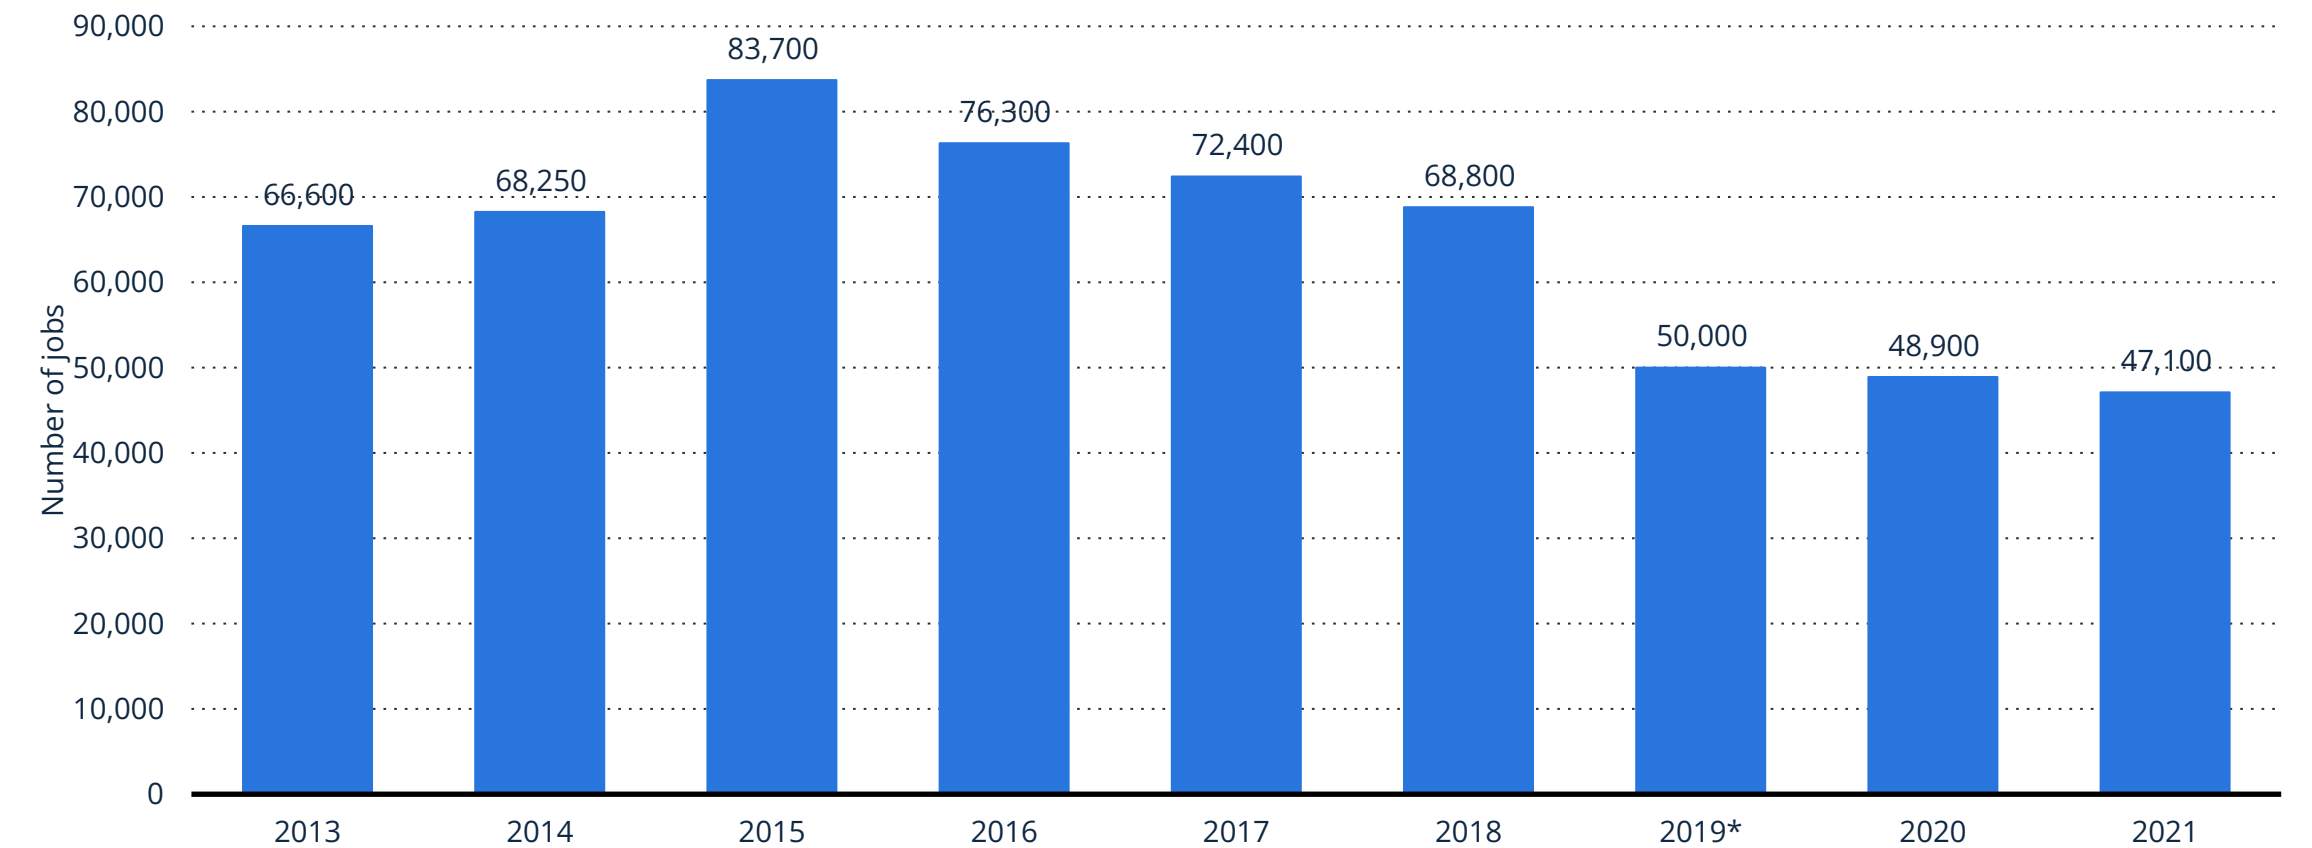

Number of direct and indirect jobs generated in the biomass industry in the European Union from 2013 to 2021

Employment in the solid biofuels industry in the European Union 2013-2021

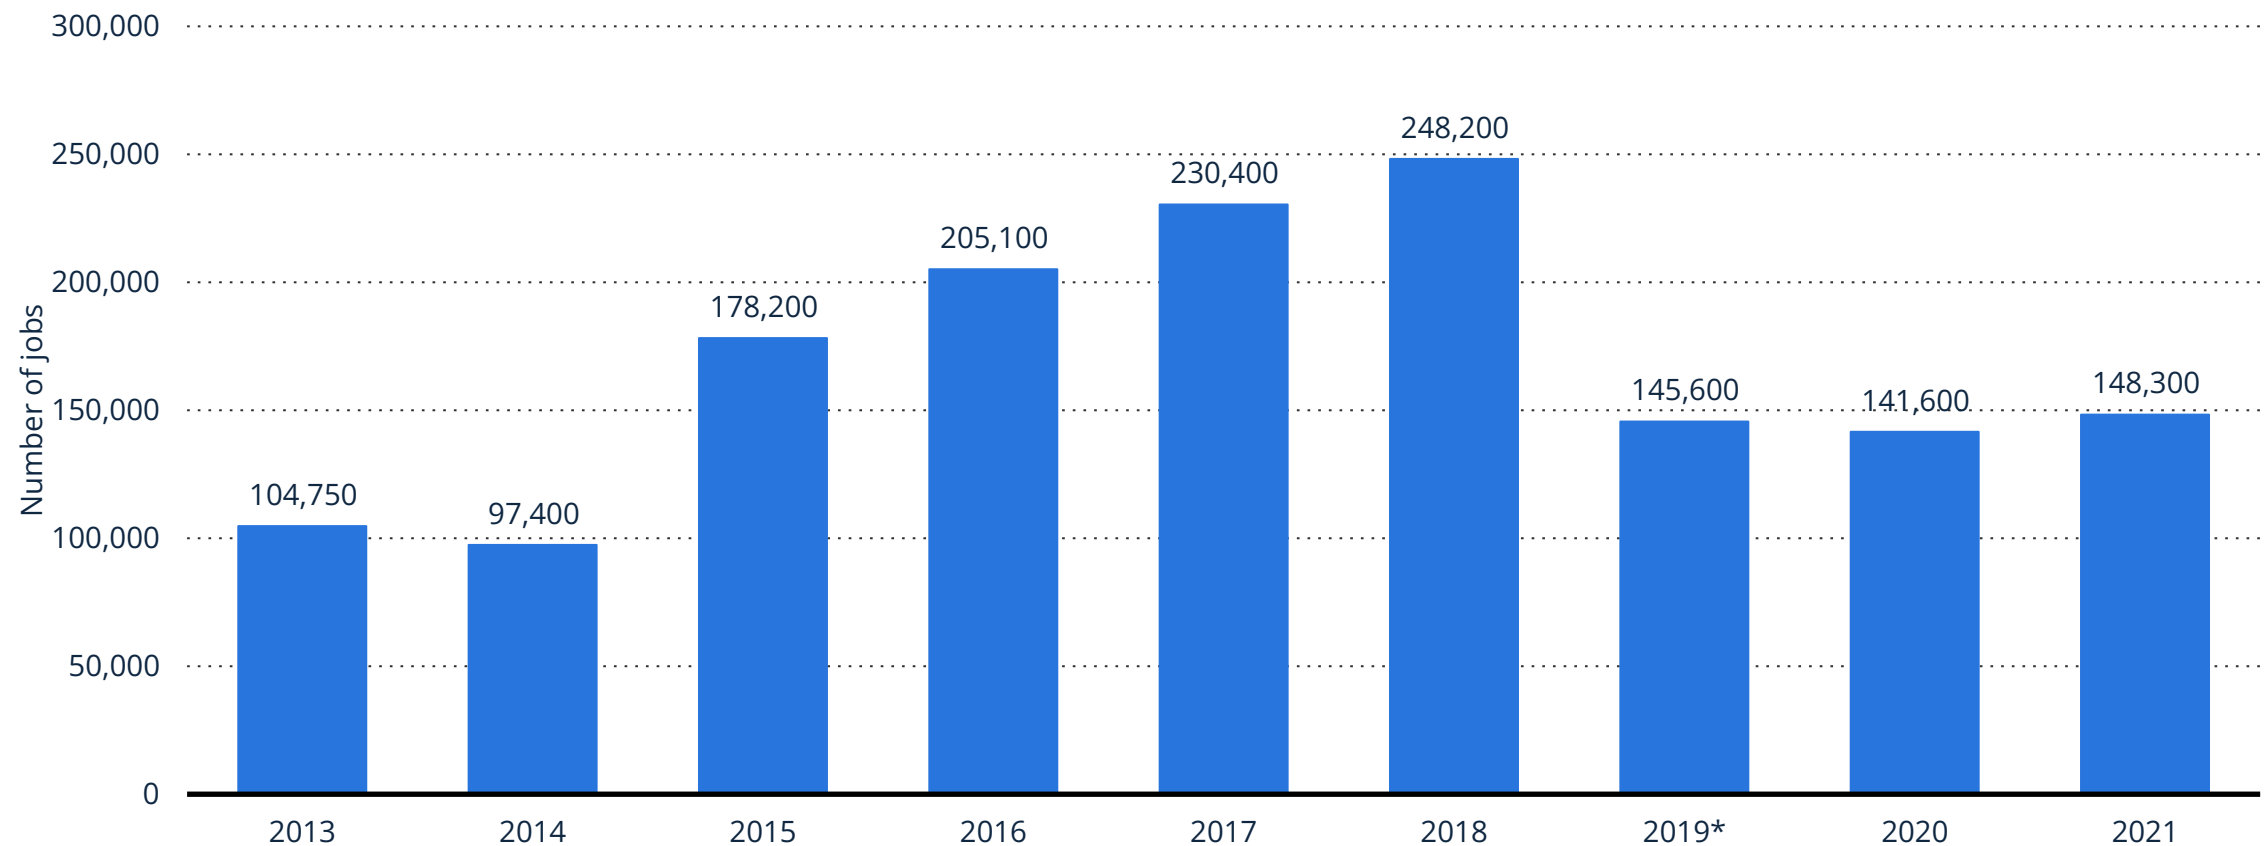

Number of direct and indirect jobs generated in the biogas industry in the European Union from 2013 to 2021

Employment in the biogas industry in the European Union 2013-2021

Number of direct and indirect jobs generated in the biofuels industry in the European Union from 2013 to 2021*

Employment in the biofuels industry in the European Union 2013-2021
